

SIERRATAC REVERSO QUICK-DETACH SLINGS - SPIRITUS SYSTEMS

SIERRATAC REVERSO QUICK DETACH SLING COYOTE BROWN

SPIRITUS SYSTEMS SIERRATAC REVERSO QUICK-DETACH SLINGS The Reverso Sling was developed and field tested by professional end-users in both the LEO and Military realms. Every detail of the sling was meticulously thought out to provide the end user with an optimal solution for securing their weapon. Make no mistake, this sling was designed with real world operations in mind. Each sling comes with a durable rubber sling retention band that is designed to withstand abrasion and keep the sling secure when not in use. The band features a thicker side wall than most industrial bands for added durability. The removable sling pad is constructed using X-Pac and Spacer Mesh to provide superior comfort, durability, and prevent sling webbing from rubbing against your neck. NOTE: This sling comes with 2 QD Sling Swivels Pre-Installed FEATURES SIERRATAC Proprietary Billet Aluminum Slider allows for quick tension adjustment to the sling without the inherent danger of a tail snagging other items. The slider acts as a solid indexing point under stressful or dark conditions. The slider does have machined slots that allow the user to add a small pull tab to it if desired. Reversed loosening and tightening of the sling Pre-Installed Quick Detach Sling Swivels Removable Sling Pad The Sierra Tac Reverso sling was developed, prototyped and produced by SIERRATAC. Spiritus Systems is honored that SIERRATAC has chosen us to provide them with the latest development in the lineup. Important: The Reverso Sling is intended to be used with looped sling hardware for the webbing to properly slide when adjusted.

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the SIERRATAC Reverso QuickDetach Sling by Spiritus Systems. This sling has been designed with the utmost care to ensure safety and functionality for users in various environments. Please read this safety instruction guide thoroughly to ensure proper use and maintenance of your sling.

General Safety Guidelines

To ensure safe use of the SIERRATAC Reverso QuickDetach Sling, please follow these general safety guidelines:

- Always inspect the sling before each use for any signs of wear or damage.
- Ensure that the sling is properly attached to your weapon before use.
- Do not exceed the manufacturer's recommended weight limit for the sling.
- Keep the sling away from sharp objects that may cause cuts or abrasions.
- Store the sling in a cool, dry place when not in use to prevent degradation of materials.
- Be aware of your surroundings and avoid using the sling in environments where it may become snagged or entangled.

Specific Safety Precautions for Use

When using the SIERRATAC Reverso QuickDetach Sling, please observe the following precautions:

- Ensure that the sling is adjusted to fit your body securely but comfortably.
- Use the sling only with looped sling hardware to ensure proper functionality.
- Do not modify the sling or its components in any way that may compromise safety.
- Avoid using the sling in extreme weather conditions that may affect its performance.
- If the sling becomes damaged or shows signs of excessive wear, discontinue use immediately and replace it.

Instructions for Installation and Usage

Follow these instructions for the proper installation and usage of your SIERRATAC Reverso QuickDetach Sling:

1. Installation:

- Identify the mounting points on your weapon where the sling will attach.
- Ensure that the QD Sling Swivels are securely fastened to the mounting points.
- Adjust the length of the sling to your desired configuration using the Billet Aluminum Slider for tension adjustment.

2. Usage:

- Once installed, ensure that the sling is properly adjusted for your body size and weapon type.
- To detach the sling, press the release button on the QD Sling Swivels and remove the sling from the weapon.
- For additional comfort, adjust the removable sling pad as needed to prevent rubbing against your neck.

3. PostUse Care:

- After use, inspect the sling for any signs of damage or wear.

- Clean the sling with a damp cloth if necessary, and allow it to dry completely before storing.

Disposal Instructions

When it is time to dispose of your SIERRATAC Reverso QuickDetach Sling, please follow these guidelines:

- Check local regulations for proper disposal methods for synthetic materials.
- If the sling is damaged beyond repair, consider recycling materials if possible.
- Do not dispose of the sling in regular household waste if it can be recycled or reused.

Contact Information for Further Support

For any safety inquiries or further assistance regarding your SIERRATAC Reverso QuickDetach Sling, please refer to the official Spiritus Systems website or your point of purchase for customer support.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your SIERRATAC Reverso QuickDetach Sling. Always prioritize safety and maintenance to prolong the life of your sling and enhance your overall experience. Thank you for your attention to these important guidelines.
