

SIERRATAC REVERSO QUICK-DETACH SLINGS - SPIRITUS SYSTEMS

SIERRATAC REVERSO QUICK DETACH SLING MULTICAM

SPIRITUS SYSTEMS SIERRATAC REVERSO QUICK-DETACH SLINGS The Reverso Sling was developed and field tested by professional end-users in both the LEO and Military realms. Every detail of the sling was meticulously thought out to provide the end user with an optimal solution for securing their weapon. Make no mistake, this sling was designed with real world operations in mind. Each sling comes with a durable rubber sling retention band that is designed to withstand abrasion and keep the sling secure when not in use. The band features a thicker side wall than most industrial bands for added durability. The removable sling pad is constructed using X-Pac and Spacer Mesh to provide superior comfort, durability, and prevent sling webbing from rubbing against your neck. NOTE: This sling comes with 2 QD Sling Swivels Pre-Installed FEATURES SIERRATAC Proprietary Billet Aluminum Slider allows for quick tension adjustment to the sling without the inherent danger of a tail snagging other items. The slider acts as a solid indexing point under stressful or dark conditions. The slider does have machined slots that allow the user to add a small pull tab to it if desired. Reversed loosening and tightening of the sling Pre-Installed Quick Detach Sling Swivels Removable Sling Pad The Sierra Tac Reverso sling was developed, prototyped and produced by SIERRATAC. Spiritus Systems is honored that SIERRATAC has chosen us to provide them with the latest development in the lineup. Important: The Reverso Sling is intended to be used with looped sling hardware for the webbing to properly slide when adjusted.

SIERRATAC Reverso QuickDetach Sling Safety Instructions

Introduction

Thank you for choosing the SIERRATAC Reverso QuickDetach Sling by Spiritus Systems. This sling is designed for optimal safety and functionality in securing your weapon during various operations. Please read this safety instruction guide carefully to ensure safe use and maintenance of your new product.

General Safety Guidelines

- Ensure that the sling is used only for its intended purpose to avoid accidents.
- Regularly inspect the sling for any signs of wear or damage before each use.
- Keep the sling out of reach of children and vulnerable individuals to prevent misuse.
- If you notice any defects or issues with the sling, discontinue use immediately and seek assistance.
- Always follow local laws and regulations regarding the use of slings and firearms.

Specific Safety Precautions for Use

- Ensure that the sling is properly attached to your weapon before use.
- Avoid using the sling in situations where it may become entangled with other equipment or objects.
- Be cautious when adjusting the tension of the sling, and ensure that fingers and other body parts are clear of moving parts.
- Do not exceed the recommended weight limit for the sling to prevent failure.
- When using the sling in lowlight conditions, take extra care to ensure that it is securely fastened and adjusted.

Instructions for Installation and Usage

1. Installation of the Sling:

- Attach the Quick Detach Sling Swivels to the designated hardware on your weapon.
- Ensure that the swivels are fully engaged and secure before proceeding to use the sling.

2. Adjusting the Sling:

- Use the SIERRATAC Proprietary Billet Aluminum Slider to adjust the tension of the sling.
- Pull the slider to tighten or loosen the sling as needed. Ensure that the slider is securely positioned after adjustments.

3. Using the Sling:

- Place the sling over your shoulder or across your body as intended.
- Ensure that the removable sling pad is positioned comfortably against your body to prevent discomfort during use.
- Regularly check the fit of the sling during use to ensure it remains secure.

4. Maintenance:

- Clean the sling regularly with a damp cloth to remove dirt and debris.
- Inspect the rubber sling retention band for any signs of wear and replace if necessary.
- Store the sling in a cool, dry place when not in use to prolong its lifespan.

Disposal Instructions

- Dispose of the sling in accordance with local regulations regarding textile and plastic waste.
- If the sling is damaged beyond repair, consider recycling components where possible.
- Do not dispose of the sling in regular household waste if it can be recycled or reused.

Contact Information for Further Support

For any inquiries regarding the safety and use of the SIERRATAC Reverso QuickDetach Sling, please reach out to the manufacturer or consult your retailer for assistance. Ensure that you have the product details ready for a quicker response.

Thank you for your attention to these safety instructions. Your safety and the safe use of your equipment are our top priorities.
