

SIERRATAC REVERSO QUICK-DETACH SLINGS - SPIRITUS SYSTEMS

SIERRATAC REVERSO QUICK DETACH SLING RANGER GREEN

SPIRITUS SYSTEMS SIERRATAC REVERSO QUICK-DETACH SLINGS The Reverso Sling was developed and field tested by professional end-users in both the LEO and Military realms. Every detail of the sling was meticulously thought out to provide the end user with an optimal solution for securing their weapon. Make no mistake, this sling was designed with real world operations in mind. Each sling comes with a durable rubber sling retention band that is designed to withstand abrasion and keep the sling secure when not in use. The band features a thicker side wall than most industrial bands for added durability. The removable sling pad is constructed using X-Pac and Spacer Mesh to provide superior comfort, durability, and prevent sling webbing from rubbing against your neck. NOTE: This sling comes with 2 QD Sling Swivels Pre-Installed FEATURES SIERRATAC Proprietary Billet Aluminum Slider allows for quick tension adjustment to the sling without the inherent danger of a tail snagging other items. The slider acts as a solid indexing point under stressful or dark conditions. The slider does have machined slots that allow the user to add a small pull tab to it if desired. Reversed loosening and tightening of the sling Pre-Installed Quick Detach Sling Swivels Removable Sling Pad The Sierra Tac Reverso sling was developed, prototyped and produced by SIERRATAC. Spiritus Systems is honored that SIERRATAC has chosen us to provide them with the latest development in the lineup. Important: The Reverso Sling is intended to be used with looped sling hardware for the webbing to properly slide when adjusted.

SIERRATAC Reverso QuickDetach Slings Safety Instruction Guide

Introduction

Thank you for choosing the SIERRATAC Reverso QuickDetach Sling by Spiritus Systems. This sling has been designed with the input of professional endusers to ensure safety, comfort, and functionality during use. Please read this safety instruction guide carefully to ensure safe and effective use of this product.

General Safety Guidelines

- Ensure that the sling is used only for its intended purpose, which is to secure a weapon safely.
- Always inspect the sling for any signs of wear or damage before each use.
- Do not exceed the weight limit of the sling as specified by the manufacturer.
- Keep the sling out of reach of children and vulnerable individuals when not in use.
- Be aware of your surroundings while using the sling to prevent accidents.

Specific Safety Precautions for Use

- **Avoid Snags:** Ensure that the sling is adjusted properly to avoid any risk of snagging on other items, which could lead to accidental release or injury.
- **Proper Adjustment:** Make sure to adjust the tension of the sling using the SIERRATAC Proprietary Billet Aluminum Slider to ensure a secure fit.
- **Use with Loop Hardware:** This sling is designed to be used with looped sling hardware for optimal performance. Ensure that the hardware is compatible.
- **Regular Maintenance:** Clean the sling regularly and check that all components, including the QD Sling Swivels, are functioning correctly.
- **Do Not Modify:** Avoid making any modifications to the sling that could compromise its safety or functionality.

Instructions for Installation and Usage

1. Installation of Sling:

- Attach the QD Sling Swivels to the designated attachment points on your weapon securely.
- Ensure that the swivels click into place and are locked properly to prevent accidental detachment.

2. Adjusting the Sling:

- Use the Billet Aluminum Slider to adjust the length of the sling. Pull on the slider to increase tension or push to decrease tension.
- Check that the adjustment is secure and that the sling is comfortable for use.

3. Using the Sling:

- Position the sling over your shoulder or across your body as per your comfort and the operational requirements.
- Ensure that the sling does not obstruct your movement or visibility.

4. Removing the Sling:

- To detach the sling from the weapon, press the release button on the QD Sling Swivels and gently pull to remove.

- Store the sling in a safe place when not in use.

Disposal Instructions

- When the sling has reached the end of its life or is no longer usable, dispose of it in accordance with local regulations.
- Do not dispose of the sling in a manner that could pose a risk to the environment or public safety.
