Safety Instruction Guide for TACHAMMER RM4 Takedown Stock for Ruger 10/22 Takedown

Introduction

Thank you for choosing the TACHAMMER RM4 Takedown Stock for your Ruger 10/22 Takedown rifle. This guide provides important safety information and instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before use.

General Safety Guidelines

- Always ensure the firearm is unloaded before installing or removing the stock.
- Inspect the stock and all accessories for any damage before use. Do not use if damaged.
- Keep the stock and accessories out of reach of children and unauthorized users.
- Use the stock only with compatible factory tapered barrels. Avoid using with oversized bull barrels unless specified.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Always wear appropriate safety gear, including eye protection, when using the firearm.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the TACHAMMER RM4 Takedown Stock is compatible with your Ruger 10/22 Takedown rifle. It is designed for factory tapered barrels only.
- **Storage:** Utilize the ambidextrous storage compartments for spare magazines but do not overload them.
- **Monopod Use:** If using the TacHammer Monopod, ensure it is securely attached to the pistol grip to avoid instability.
- **Accessory Rail:** When using the Stowaway accessory rail, ensure all mounted accessories are securely fastened to prevent accidents.
- **Transport:** When transporting the firearm with the stock installed, ensure it is stored in a secure and safe manner, preferably in a designated firearm case.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is completely unloaded.
2. Remove the existing stock from the Ruger 10/22 Takedown rifle according to the manufacturer's instructions.
3. Align the TACHAMMER RM4 Takedown Stock with the receiver of the rifle.
4. Securely fasten the stock to the receiver using the provided screws. (Note: Take Down Screw is not included.)
5. Ensure the stock is firmly attached and check for any movement.

Usage

- Adjust the length of pull on the adjustable buttstock to fit your preference for comfort and control.
- Store two spare Ruger rotary magazines in the ambidextrous compartments of the stock.
- When using the Stowaway accessory rail, reverse it to access for mounting accessories like flashlights or bipods.
- Always perform a function check after installation to ensure everything operates correctly.

Disposal Instructions

- Dispose of the TACHAMMER RM4 Takedown Stock in accordance with local regulations regarding plastic and polymer materials.
- If the stock is damaged beyond repair, consider recycling options where available.
