Safety Instruction Guide for TACHAMMER TK22 Takedown Stock for Ruger 10/22 Takedown

Introduction

Thank you for choosing the TACHAMMER TK22 Takedown Stock for your Ruger 10/22 Takedown rifle. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read this document carefully before using the stock.

General Safety Guidelines

- Always treat your firearm and accessories with respect and caution.
- Ensure that the firearm is unloaded before installing or handling the stock.
- Store the stock and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of damage or wear before use.
- Follow all local laws and regulations regarding the use and storage of firearms and firearm accessories.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the stock is compatible with your Ruger 10/22 Takedown rifle before installation.
- Do not use the stock if it shows signs of damage or if any components are missing.
- When using the adjustable M4 type buttstock, ensure that it is securely locked in place to prevent accidental adjustment during use.
- Use the nonslip, removable vented rubber recoil pad to enhance comfort and stability while shooting.
- Avoid placing your finger on the trigger until you are ready to shoot.
- Always be aware of your surroundings and ensure that you are in a safe environment when handling your firearm.

Instructions for Installation and Usage

1. Prepare for Installation

- Ensure that the firearm is unloaded.
- Gather all necessary tools for installation.

2. Remove the Existing Stock

- Follow the manufacturer's instructions to safely remove the existing stock from your Ruger 10/22 Takedown rifle.

3. Install the TACHAMMER TK22 Takedown Stock

- Align the stock with the receiver of the rifle.
- Insert the covered take down pin to secure the stock in place.
- Ensure that the stock is firmly attached and does not wobble.

4. Adjust the Length of Pull

- Use the adjustable M4 type buttstock to set the desired length of pull for your comfort.
- Ensure that the buttstock is locked in place after adjustment.

5. Attach the Barrel Insert

- Insert the removable barrel insert to accommodate either standard tapered barrels or .920" bull barrels.
- Ensure a snug fit to maintain accuracy and stability.

6. Check Sling Attachment Points

- Verify that the integrated sling attachment points are secure.
- Attach your sling as needed for ease of carry.

7. Final Inspection

- Conduct a final inspection of the stock and rifle to ensure everything is secure and properly installed.
- Perform a function check to ensure that the rifle operates correctly with the new stock.

Disposal Instructions

- Dispose of the stock in accordance with local regulations regarding plastic and polymer materials.
- Do not dispose of the stock in regular household waste. Check for recycling options in your area.
- If the stock is damaged beyond repair, consult local waste management guidelines for proper disposal methods.
