Safety Instruction Guide for TACHAMMER RM4 Stock for Ruger 10/22

Introduction

Thank you for choosing the TACHAMMER RM4 Stock for your Ruger 10/22 rifle. This guide provides essential safety instructions and guidelines to ensure proper use and maintenance of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always handle firearms safely. Treat every firearm as if it is loaded.
- Ensure the TACHAMMER RM4 Stock is installed correctly before use.
- Regularly inspect the stock for any signs of wear or damage.
- Keep the stock and rifle out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before attaching or detaching the TACHAMMER RM4 Stock.
- Do not exceed the weight limit specified for accessories attached to the Stowaway accessory rail.
- Use the adjustable M4 type buttstock to achieve a proper fit for your shoulder length.
- Avoid using the stock if it shows any signs of damage or if parts are missing.
- Always use the TacHammer Monopod in accordance with the manufacturer's instructions for stability.
- Be cautious when using the stock in adverse weather conditions, as moisture may affect performance.

Instructions for Installation and Usage

1. Installation of the TACHAMMER RM4 Stock:

- Ensure the rifle is pointed in a safe direction and is unloaded.
- Remove the existing stock from the Ruger 10/22 by unscrewing the takedown screw (not included).
- Align the TACHAMMER RM4 Stock with the receiver and push it into place.
- Secure the stock by tightening the takedown screw (ensure it is properly fitted).
- Confirm that the stock is firmly attached before use.

2. Adjusting the Length of Pull:

- Locate the adjustable rear stock mechanism.
- Pull the adjustment lever to extend or shorten the stock to your desired length.
- Release the lever to lock the stock in place.
- Ensure the adjustment is secure before using the rifle.

3. Using the Stowaway Accessory Rail:

- To access the Stowaway accessory rail, slide the rail out from the forend.
- Attach a bipod or other accessories as needed.
- When not in use, slide the rail back into the forend for safe storage.

4. Using the TacHammer Monopod:

- Attach the TacHammer Monopod to the designated area on the stock.
- Ensure it is securely fastened before use.
- Adjust the monopod for height as needed to achieve stability.

Disposal Instructions

- Dispose of the TACHAMMER RM4 Stock in accordance with local regulations.
- If the stock is damaged beyond repair, consider recycling materials when possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the TACHAMMER RM4 Stock, please consult the manufacturer or authorized dealers for assistance. Always refer to the manufacturer's website for the latest updates and safety information.

Thank you for your attention to these safety instructions. Enjoy your TACHAMMER RM4 Stock responsibly and safely.
