

EX PERFORMANCE ADJ STOCK & FOREND FOR MOSSBERG 12G 500/590/88 - ADAPTIVE TACTICAL, LLC EX PERFORMANCE ADJ STOCK & FOREND FOR MOSS 500/590/88 ORANGE

ADAPTIVE TACTICAL, LLC EX PERFORMANCE ADJUSTABLE STOCK & FOREND FOR MOSSBERG 500/590/88 Optimized for pump shotguns, the advanced design features and high-impact, polymer construction of the EX Performance Adjustable Stock and Forend make it an ideal choice when upgrading your Mossberg 500 & 88*, 590 series 12g pump shotgun. The EX Performance Adjustable Stock features an easy-to-reach rapid adjust lever for custom length-of-pull, and includes an integrated QD swivel attachment and molded in non-rust standard sling swivel attachment. Durable polymer construction with a comfortable non-slip vented rubber recoil pad, oversized extra strength adjustment pin, and sleek industrial design. The EX Performance Forend features a 2 inch picatinny rail concealed under the nose cap. Uncovered it's ideal for attaching tactical accessories like lasers or lights. Constructed of durable of high performance, lightweight polymer. Important! EX Forend installation requires all Mossberg Maverick 88 or Mossberg 500 models made after March 2020 to purchase a 7 3/4" or 6 3/4" 12 gauge metal action slide tube assembly and forend retention nut from Mossberg, a local dealer, an online retailer or directly from Adaptive Tactical. Shockwave NOTICE: The EX Forend is compatible with the Mossberg Shockwave platform, however Adaptive Tactical does not recommend use of the EX Forend or EX Tactical Lighted Forend in conjunction with the Shockwave firearm. The dimensions of the EX Forend combined with extreme use conditions can potentially position the shooter's hand in close proximity to the muzzle end of the firearm. This scenario could result in serious to life threatening injuries. To minimize the potential for accidental discharges and/or serious injury, Adaptive only recommends the use of the factory forend with the safety strap. SPECS Designed for owner installation Accessory rail concealed under forend nose cap Adjustable Stock Maximum Length: 15" with recoil pad 14" without recoil pad Minimum Length: 11.5" with recoil pad 10.5" without recoil pad Integrated sling attachment points Available Colors: Black Orange - Optimized and readily identifiable for 'Less Lethal' Law Enforcement applications Compatible with Mossberg 500 & 88*, 590 series 12g pump shotguns Made in the U.S.A. NTOA Member Tested and Recommended

Safety Instruction Guide for EX PERFORMANCE ADJ STOCK & FOREND FOR MOSSBERG 12G 500/590/88

Introduction

Thank you for choosing the EX Performance Adjustable Stock and Forend for your Mossberg 12G 500/590/88 shotgun. This guide provides important safety instructions and information to ensure safe and effective use of this product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Always treat your shotgun as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the shotgun and accessories in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the stock and forend for any signs of wear or damage before use.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Be aware of your surroundings and ensure a clear shooting area before discharging your firearm.
- Follow all local laws and regulations regarding firearm use and modifications.

Specific Safety Precautions for Use

- The EX Forend is compatible with the Mossberg Shockwave platform; however, Adaptive Tactical does not recommend using the EX Forend with the Shockwave firearm due to potential hazards.
- Ensure that the installation of the forend is completed correctly to avoid any accidental discharges.
- Do not exceed the recommended length of pull adjustments on the stock, as improper settings can affect firearm control and safety.
- Avoid placing your hands near the muzzle end of the firearm when using the EX Forend, as this could result in serious injury.
- Always use the factory forend with the safety strap when operating the firearm to minimize risks.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that the shotgun is unloaded and the safety is engaged.
2. **Forend Installation:**
 - Remove the existing forend by following the manufacturer's instructions for your specific Mossberg model.
 - Install the EX Performance Forend by sliding it into place securely.
 - Ensure that the integrated sling attachment points are accessible and functional.
3. **Stock Installation:**
 - Remove the existing stock using the appropriate tools.
 - Attach the EX Performance Adjustable Stock by following the manufacturer's instructions.
 - Adjust the length of pull using the rapid adjust lever to your preferred setting.
4. **Final Check:** After installation, doublecheck that all components are secure and functioning properly.

Usage

- Adjust the stock to your desired length of pull before using the shotgun.
- Utilize the integrated sling attachment points for secure carrying options.
- Use the concealed picatinny rail for attaching tactical accessories as needed.
- Regularly check the tightness of the forend and stock to ensure they remain secure during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding polymer materials.
- Do not incinerate or expose the product to extreme heat, as it may release harmful substances.
- If the product is damaged or no longer functional, consider recycling options available in your area.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please reach out to your local dealer or Adaptive Tactical's customer support. Always ensure you have the latest information regarding your product and its safe use.

By following these guidelines, you can help ensure a safe and enjoyable experience with your EX Performance Adjustable Stock and Forend. Always prioritize safety and adhere to all recommended practices. Thank you for your commitment to responsible firearm ownership.
