

LLC EX PERFORMANCE TACTICAL LIGHT FOREND FOR REMINGTON 870 - ADAPTIVE TACTICAL, LLC EX PERFORMANCE TACTICAL LIGHT FOREND FOR REMINGTON 870 BLK

ADAPTIVE TACTICAL, LLC EX PERFORMANCE TACTICAL LIGHT FOREND FOR REMINGTON 870 Designed for reliability and built to perform, the EX Performance Tactical Light Forend is an engineered solution to your low light firearm needs. Quickly and easily upgrade your Remington shotgun to be a more versatile defense firearm. Full of features important for low light use, the EX Performance Tactical Light Forend is a tool that every shotgun owner should incorporate into their training. Compact, powerful 300-lumen tactical flashlight seamlessly integrates into forend body. Three levels of illumination are designed to offer wide, smooth beams ideal for close-range, shotgun applications. Removable light reveals a 2 inch picatinny rail for attaching other accessories, or rail may be concealed under the included nose cap. NOTE: Forend not compatible with the Remington 870 Super Magnum Shockwave

NOTICE: The EX Forend is compatible with the Mossberg Shockwave platform, however Adaptive Tactical does not recommend use of the EX Forend or EX Tactical Lighted Forend in conjunction with the Shockwave firearm. The dimensions of the EX Forend combined with extreme use conditions can potentially position the shooter's hand in close proximity to the muzzle end of the firearm. This scenario could result in serious to life threatening injuries. To minimize the potential for accidental discharges and/or serious injury, Adaptive only recommends the use of the factory forend with the safety strap.

SPECS Tactical Light 300-lumen beam features a run time of up to 3 hours Powered by 2 AA batteries (included) Easy to reach, ambidextrous on/off button 3 illumination settings: Momentary On, Constant On, Rapid Strobe Aluminum bezel with defense chamfer edge; Tempered glass lens Weatherproof, high-strength reinforced polymer housing Patented quick-detach thumb screw rail clamp Ex-Performance Forend Designed for owner installation Tactical light may be removed to allow alternate accessories to be mounted on 2 inch picatinny rail, or covered with included forend cap Made in the U.S.A.

Safety Instruction Guide for LLC EX Performance Tactical Light Forend for Remington 870

Introduction

Thank you for purchasing the LLC EX Performance Tactical Light Forend for Remington 870. This product is designed to enhance the versatility and safety of your shotgun during lowlight situations. It is essential to read and understand this safety instruction guide to ensure proper use and to minimize any risks associated with the product.

General Safety Guidelines

- Ensure that you are familiar with the operation and handling of firearms before using this product.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect the forend and tactical light for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- The EX Forend is not compatible with the Remington 870 Super Magnum Shockwave.
- Do not use the EX Forend or EX Tactical Lighted Forend in conjunction with the Shockwave firearm, as this may lead to serious injuries.
- Ensure that your hand is positioned safely away from the muzzle end of the firearm when using the tactical light.
- Use the factory forend with the safety strap to minimize the risk of accidental discharges and injuries.
- The tactical light emits a 300lumen beam; avoid shining it directly into anyone's eyes.
- Always ensure the tactical light is turned off when not in use to conserve battery life.

Instructions for Installation and Usage

1. Installation of the Forend:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing forend according to the manufacturer's instructions.
- Align the EX Performance Tactical Light Forend with the shotgun's receiver.
- Secure the forend in place using the provided mounting hardware.
- Verify that the forend is tightly secured before use.

2. Using the Tactical Light:

- The tactical light features an ambidextrous on/off button for easy access.
- Choose from three illumination settings: Momentary On, Constant On, and Rapid Strobe.
- To switch between settings, press the on/off button accordingly.
- If needed, the tactical light can be removed to allow for alternate accessories to be mounted on the 2inch picatinny rail.

3. Maintenance:

- Regularly check the tactical light for functionality and replace the 2 AA batteries as needed.
- Clean the forend and tactical light with a soft, dry cloth to maintain optimal performance.

- Store the product in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and plastic materials.
- Remove batteries from the tactical light before disposal and recycle them according to local guidelines.
- Do not dispose of the product in household waste.
