Safety Instruction Guide for HOGUE® OverMolded® Grip Extension Pad for Glock 42® 380ACP 6RD Magazine

Introduction

Thank you for choosing the HOGUE® OverMolded® Grip Extension Pad for your Glock 42® 380ACP 6RD Magazine. This product is designed to enhance your grip and control while using your firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used in accordance with all applicable laws and regulations regarding firearms and firearm accessories.
- Always handle firearms with care and follow the basic rules of firearm safety.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the grip extension pad for any signs of wear or damage before use.
- If you notice any defects or concerns, discontinue use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- Do not use this grip extension pad with any other model of Glock or any firearm other than the Glock 42®.
- Ensure that the grip extension is properly installed before using your firearm.
- Avoid using excessive force when installing or removing the grip extension pad.
- Be mindful of the additional length added to the magazine when using the grip extension, as it may affect how the firearm is stored or carried.
- Always ensure that your firearm is unloaded before attaching or removing the grip extension pad.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded.
- Gather necessary tools, if any, for installation.

2. Installation:

- Align the grip extension pad with the base of the Glock 42® magazine.
- Press the grip extension firmly onto the magazine until it clicks into place.
- Verify that the grip extension is securely attached by gently tugging on it.

3. Usage:

- Hold the firearm with the grip extension pad installed.
- Ensure that your fingers are properly positioned in the finger groove for optimal grip and control.
- Practice handling the firearm in a safe environment to become accustomed to the new grip.

4. Removal:

- To remove the grip extension pad, gently pull it away from the magazine while ensuring the firearm is unloaded.

- Store the grip extension pad in a safe location when not in use.

Disposal Instructions

- Dispose of the grip extension pad in accordance with local regulations for plastic and rubber products.
- Do not incinerate or expose the product to extreme heat, as it may release harmful substances.
