Introduction

Thank you for choosing the HOGUE® OverMolded® Grip Extension Pad for your Glock 19/26® 9MM. This product is designed to enhance the handling and comfort of your firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the grip extension pad is compatible with your specific model of Glock.
- Keep the product and all firearms out of reach of children and unauthorized users.
- Regularly inspect the grip extension pad for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Ensure that the grip extension pad is securely attached before use.
- Do not use the grip extension pad if it shows any signs of damage or wear.
- Avoid using the firearm in wet or slippery conditions that may affect grip.
- If you experience any discomfort while using the grip extension pad, discontinue use immediately.
- Be aware of your surroundings and ensure a clear shooting area when using your firearm.

Instructions for Installation and Usage

1. Installation

- Make sure your Glock is unloaded and the magazine is removed.
- Align the grip extension pad with the magazine base.
- Press the grip extension pad onto the magazine until it clicks into place.
- Ensure that the grip extension pad is securely attached by gently tugging on it.

2. Usage

- Grip your firearm firmly, ensuring that your fingers fit comfortably into the additional finger groove provided by the grip extension pad.
- Maintain control of your firearm at all times, especially during reloads and when handling the firearm.

Disposal Instructions

- Dispose of the grip extension pad in accordance with local regulations for plastic waste.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent any potential hazards.
