Safety Instruction Guide for HOGUE OverMolded Grip Extension Pad for Glock 19/26

Introduction

Thank you for choosing the HOGUE OverMolded Grip Extension Pad for your Glock 19/26. This product is designed to enhance the handling of your firearm while ensuring safety and comfort. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is compatible with your Glock model before use.
- Always handle firearms with care and follow all safety guidelines provided by the firearm manufacturer.
- Keep the product and all firearms out of reach of children and unauthorized users.
- Regularly inspect the grip extension pad for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not use the grip extension pad if it shows any signs of damage or wear.
- Ensure that the grip extension is securely attached before using your firearm.
- Avoid using the firearm in wet or slippery conditions that may affect grip.
- Do not modify the grip extension pad, as this may compromise safety and functionality.
- Use only with Glock 19 10 and 15round magazines as specified.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded before installation.
- Align the grip extension pad with the base of the magazine.
- Press the grip extension pad firmly onto the magazine until it clicks into place.
- Verify that the grip extension is securely attached before using the firearm.

2. Usage

- Hold the firearm with a proper grip, ensuring your fingers fit comfortably in the additional groove provided by the extension pad.
- Practice safe handling and shooting techniques at all times.
- Regularly check the grip extension for security and integrity during use.

Disposal Instructions

- Dispose of the grip extension pad in accordance with local regulations for plastic products.
- Do not incinerate the product, as it may release harmful substances.
- If the product is damaged or no longer in use, consider recycling if applicable.

Contact Information for Further Support

For any inquiries regarding the safety or use of the HOGUE OverMolded Grip Extension Pad, please reach out to the manufacturer or your local distributor for assistance.

By following these guidelines, you can ensure a safer and more enjoyable experience with your HOGUE OverMolded Grip Extension Pad for Glock 19/26. Thank you for prioritizing safety.
