MILSPEC LOWER PARTS KIT FOR AR15 Safety Instruction Guide

Introduction

Thank you for purchasing the MILSPEC LOWER PARTS KIT FOR AR15 from NEXT LEVEL ARMAMENT. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Always handle all firearm components with care and respect.
- Ensure you are in a safe environment when working with firearm parts.
- Keep all parts out of reach of children and unauthorized individuals.
- Wear appropriate safety gear, including eye protection, when assembling or disassembling your firearm.
- Regularly inspect components for wear or damage before use.
- Familiarize yourself with local laws and regulations regarding firearm assembly and ownership.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before beginning any assembly or disassembly.
- Use a clean, dry workspace to avoid losing small parts.
- Doublecheck that you have all components listed in the kit before starting the assembly.
- Follow the assembly instructions carefully to avoid incorrect installation that could lead to malfunctions.
- Do not modify any parts unless you are a qualified gunsmith.
- If you are unsure about any step, seek assistance from a qualified professional.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a punch set, screwdriver, and any other required tools.
- Lay out all components on a clean surface, ensuring that you can easily access each part.

2. Assembly Steps

- **Bolt Catch Installation**
 - Insert the bolt catch and secure it with the roll pin.
- **Trigger Guard Installation**
 - Attach the trigger guard using the provided roll pin.
- **Trigger Installation**
 - Install the trigger, ensuring it is correctly positioned.
- **Disconnecter Installation**
 - Place the disconnecter and secure it with its spring.
- **Hammer Installation**
 - Install the hammer and its spring, ensuring proper alignment.
- **Safety Selector Installation**
 - Insert the safety selector along with the detent and spring.
- **Magazine Catch Installation**
 - Attach the magazine catch, spring, and release button.
- **Pivot/Takedown Pins Installation**

- Install the pivot and takedown pins along with their respective detents and springs.
- **Pistol Grip Installation**
 - Attach the A2style pistol grip using the grip screw and washer.
- **Buffer Retainer Installation**
 - Install the buffer retainer and its spring.

3. Final Checks

- Once all parts are installed, conduct a thorough inspection to ensure everything is secured and properly aligned.
- Test the functionality of the assembled parts without ammunition to ensure safe operation.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If any part of the kit is damaged or no longer usable, follow local regulations for the disposal of firearm components.
- Do not discard parts in regular trash; contact local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the MILSPEC LOWER PARTS KIT FOR AR15 or safety concerns, please refer to the contact information provided with your purchase or on the manufacturer's website.

Thank you for your attention to these safety guidelines. Enjoy your assembly and stay safe!
