Safety Instruction Guide for NLX Performance Kit 1 for AR15

Introduction

Thank you for choosing the NLX Performance Kit 1 for your AR15 rifle. This kit has been designed to enhance the performance and safety of your firearm. It is essential to follow the safety guidelines and instructions provided in this document to ensure safe and effective use of the product.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store firearms and ammunition securely, away from unauthorized users, especially children.
- Use the firearm only for its intended purpose.
- Be aware of your surroundings and ensure you have a safe backstop when shooting.
- Always wear appropriate safety gear, including eye and ear protection, when using your firearm.
- Regularly inspect your firearm and components for wear and damage.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure that the NLX Performance Kit 1 is installed correctly before use.
- Verify that the firearm is unloaded before performing any modifications or installations.
- Use only compatible components with your AR15 to avoid malfunctions.
- Be cautious when handling the charging handle and safety selector to prevent accidental discharges.
- If you experience any malfunctions or unusual behavior from your firearm, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Steps

1. Prepare Your Workspace

- Ensure you have a clean, welllit workspace.
- Gather necessary tools, including a torque wrench and appropriate screwdrivers.

2. Remove Existing Components

- Unload your AR15 and ensure it is safe.
- Remove the existing charging handle and safety selector from the firearm.

3. Install the NLX556 AMBI Charging Handle

- Align the NLX556 charging handle with the receiver.
- Insert the charging handle and ensure it is securely in place.

4. Install the Ascend Armory 50/90Degree AMBI Safety Selector

- Choose the desired throw angle (50 or 90 degrees).
- Insert the safety selector into the designated slot and secure it according to the manufacturer's specifications.

5. Install the NLX25 556 Linear Compensator

- Thread the compensator onto the muzzle of the firearm.
- Use a torque wrench to tighten it to the manufacturer's recommended specifications.

Usage Guidelines

- After installation, perform a function check to ensure all components operate correctly.
- Practice using the ambidextrous controls to become familiar with their functions.
- Regularly clean and maintain your firearm and components as per the manufacturer's guidelines.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not throw away components in regular waste; check for recycling options or hazardous waste disposal guidelines in your area.

Contact Information for Further Support

For any inquiries or support regarding the NLX Performance Kit 1, please refer to the manufacturer's website or customer service resources. It is essential to address any questions or concerns to ensure safe and effective use of your product.

Conclusion

By following these safety guidelines and instructions, you can ensure the safe and effective use of your NLX Performance Kit 1 for AR15. Always prioritize safety and responsibility when handling firearms. Thank you for your commitment to safe firearm practices.
