

EXTENDED MAGAZINE RELEASE BUTTON FOR AR-15/AR-308 - NEXT LEVEL ARMAMENT EXTENDED MAGAZINE RELEASE BUTTON FOR AR-15/AR-308 BLACK

NEXT LEVEL ARMAMENT EXTENDED MAGAZINE RELEASE BUTTON FOR AR-15/AR-308 Extended Magazine Release Button from Next Level. Next Level Armament machined each extended magazine release button from 7075 Billet Aluminum and finish with hard coat anodizing. The longer overall length allows easier magazine exchanges, and the extra diamond machining provides maximum grip. The release button fits both AR10/AR15 Platforms. It does everything you want a magazine release button to do, but better. The release button installs like the standard mil-spec release. They extended the length from .3" to .4", enough to enhance performance while keeping a low enough profile to avoid snagging on slings and equipment. Not only will this increase consistency and performance, but the closed diamond patterned end also makes your rifle look great. Whether you shoot for fun or competition, their release button will help take your rifle to the Next Level.

Safety Instruction Guide for EXTENDED MAGAZINE RELEASE BUTTON FOR AR15/AR308

Introduction

Thank you for purchasing the Next Level Armament Extended Magazine Release Button for AR15/AR308. This product is designed to enhance your shooting experience by providing a more efficient way to release magazines. It is essential to follow the safety instructions outlined in this guide to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that you read and understand all safety instructions before using the product.
- Always treat firearms with respect and assume they are loaded until verified otherwise.
- Keep the product out of reach of children and unauthorized users.
- Use the product only as intended and in accordance with the firearm manufacturer's guidelines.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling firearms.
- Ensure the firearm is pointed in a safe direction when using the magazine release button.
- Avoid using the product in wet or slippery conditions that may affect grip and control.
- Do not attempt to modify or alter the magazine release button in any way.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Before starting the installation, ensure that your firearm is unloaded and pointed in a safe direction.
2. **Remove the Existing Button:** Using a suitable tool, carefully remove the standard milspec magazine release button from your AR15/AR308.
3. **Install the New Button:** Align the Next Level Armament Extended Magazine Release Button with the release mechanism and press it into place.
4. **Verify Installation:** Ensure that the button is securely installed and functions correctly by testing it without ammunition in the firearm.

Usage

- To use the magazine release button, press the button firmly with your thumb while holding the firearm in a stable position.
- Practice using the button in a safe environment to become familiar with its function and responsiveness.
- Regularly check the button for any signs of wear and ensure it remains clean and free of debris.

Disposal Instructions

- Dispose of the product in accordance with local regulations and guidelines.
- Avoid disposing of the product in regular household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any inquiries regarding the safety or usage of the Next Level Armament Extended Magazine Release Button for AR15/AR308, please consult the retailer or manufacturer where the product was purchased.

Conclusion

By following the guidelines and precautions outlined in this safety instruction guide, you can ensure a safe and enjoyable experience with your new magazine release button. Always prioritize safety and responsibility when handling firearms and their accessories.
