

ASCEND ENHANCED TAKEDOWN PINS FOR AR-308 - NEXT LEVEL ARMAMENT ASCEND ENHANCED TAKEDOWN PINS FOR AR-308 STAINLESS STEEL

NEXT LEVEL ARMAMENT ASCEND ENHANCED TAKEDOWN PINS FOR AR-308

Whether you're upgrading an old AR-308 or building a new one, sometimes it is the simplest of things that will bite you in the bum. Some people seem to really struggle with the big choices like barrels, bolt carrier groups, muzzle devices and can easily wind up with thousands of dollars in their new build.

Then, as kind of an afterthought, stick a pair of plain old stock takedown pins in there to hold it all together. However, if you love to pay attention to the little things, that choice just won't do. However, a new set of Ascend 308 Enhanced Takedown Pins can put you over the top.

FEATURES: Precision machined from billet stock Extended length for easy removal Enlarged grooved pin head for improved grip Dimpled end for easier push

SPECIFICATIONS: Material: 303 Stainless Steel Finish: Black Nitride Weight: 0.6 oz. Pin Diameter: ~0.275" **COMPATIBILITY:** DPMS pattern AR10 receivers

INCLUDES: 1x Takedown Pin 1x Pivot Pin 2x Takedown Pin Detents 2x Takedown Pin Springs

Safety Instruction Guide for ASCEND ENHANCED TAKEDOWN PINS FOR AR308

Introduction

Thank you for choosing the ASCEND ENHANCED TAKEDOWN PINS FOR AR308 by NEXT LEVEL ARMAMENT. This guide provides essential safety instructions and guidelines to ensure the safe use, installation, and maintenance of your takedown pins. Please read this manual carefully before use.

General Safety Guidelines

- Ensure that the product is suitable for your specific AR308 model.
- Always wear appropriate safety gear, including eye protection, when handling firearms or firearm components.
- Keep the takedown pins out of reach of children and unauthorized users.
- Regularly inspect the takedown pins for signs of wear or damage before each use.
- Do not modify the takedown pins in any way, as this may compromise their safety and functionality.
- Store the product in a dry, cool place to prevent corrosion or damage.

Specific Safety Precautions for Use

- Use only with DPMS pattern AR10 receivers to ensure compatibility.
- Ensure that the firearm is unloaded and pointed in a safe direction before installing or removing the takedown pins.
- Avoid using excessive force when installing or removing the pins to prevent damage.
- If you experience difficulty during installation or removal, consult a qualified gunsmith for assistance.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools, such as a punch tool, if needed.

2. Installation of Takedown Pins:

- Align the takedown pin with the receiver and the lower receiver.
- Gently push the pin into place until it is securely seated.
- Ensure the enlarged grooved pin head is facing outward for improved grip.

3. Installation of Pivot Pin:

- Position the pivot pin in the designated hole of the upper receiver.
- Push the pivot pin into place until it clicks securely.

4. Installation of Detents and Springs:

- Insert the takedown pin detents into their respective holes.
- Carefully place the takedown pin springs over the detents.

5. Final Check:

- Ensure all components are securely installed and functioning correctly.
- Test the operation of the takedown mechanism by gently pulling on the pins.

Disposal Instructions

- Dispose of any damaged or worn takedown pins in accordance with local regulations.
- Do not dispose of the product in regular household waste. Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the official website or contact your local distributor. Always ensure that you are speaking with a qualified representative regarding product safety and compliance.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your ASCEND ENHANCED TAKEDOWN PINS FOR AR308. Thank you for prioritizing safety in your firearm handling and maintenance practices.
