

20 GA MAGAZINE CAP W/SWIVEL HOLE FOR REM 1100 LT-20 SILVER - REMINGTON 20 GA MAGAZINE CAP W/SWIVEL HOLE FOR REM 1100 LT-20 SILVER

REMINGTON 20 GA MAGAZINE CAP W/SWIVEL HOLE FOR REM 1100 LT-20 The Remington Magazine Cap is a factory-spec replacement designed for Remington 1100 LT-20 (Lightweight 20-Gauge) models. This cap features a built-in swivel hole, allowing installation of a sling swivel stud for easy sling attachment. Finished in silver, it provides both functional utility and a clean visual match for LT-20 configurations. **FEATURES** Designed for LT-20 Gauge 1100 Models - Built specifically for the lightweight 20-gauge Remington 1100 platform. Integrated Swivel Hole - Accepts a sling swivel stud, enabling secure sling mounting from the magazine cap. (Supported by similar 1100 caps featuring sling-swivel provisions.) Secures Barrel & Retains Magazine Spring - Maintains proper barrel seating while containing and tensioning the magazine spring during operation. Silver Finish - Clean metallic appearance that complements LT-20 receivers and small-frame barrel sets. Factory-Grade Construction - Made to Remington's OEM standards for fit, thread quality, and durability. NOTE: These magazine caps are a new, authentic Remington products acquired directly from Remington's OEM inventory. This item is guaranteed to be unused and fully functional.

Safety Instruction Guide for Remington 20 GA Magazine Cap with Swivel Hole

Introduction

Thank you for choosing the Remington 20 GA Magazine Cap with Swivel Hole for your Remington 1100 LT20 shotgun. This guide provides essential safety instructions and guidelines to ensure safe usage and proper handling of the product. Please read this document carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the magazine cap by following all instructions. This product is designed for nonfood use and complies with EU safety standards.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If a recall is issued, you will receive standardized notices and remedies at no cost.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements equivalent to physical stores.
- **Special Consumer Focus:** Extra caution is advised for vulnerable groups, including children. Keep all products out of their reach.
- **EU Contact Point:** For safety inquiries, ensure you have access to an EU-based contact point.
- **Rapid Alerts:** Be aware of the Safety Gate system for timely updates regarding unsafe products.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the magazine cap is compatible with the Remington 1100 LT20 model. Improper fit may lead to malfunctions.
- **Inspection Before Use:** Always inspect the magazine cap for any signs of damage or wear before installation. Do not use if damaged.
- **Avoid Modifications:** Do not modify the magazine cap or attempt to alter its design. This may compromise safety and functionality.
- **Safe Handling:** Always handle the magazine cap with care. Avoid dropping or exposing it to extreme conditions.
- **Sling Attachment:** When attaching a sling, ensure the swivel stud is securely fastened to prevent accidental detachment.

Instructions for Installation and Usage

1. Preparation:

- Ensure the shotgun is unloaded and pointed in a safe direction before beginning installation.
- Gather the necessary tools, including a wrench if required.

2. Installation:

- Remove the existing magazine cap from the shotgun by turning it counterclockwise.
- Inspect the threads on the magazine tube for any debris or damage.
- Align the new magazine cap with the threads on the magazine tube.
- Turn the magazine cap clockwise until it is securely in place. Do not overtighten.

3. Usage:

- Ensure that the magazine cap is properly secured before using the shotgun.
- Regularly check the magazine cap during use to confirm it remains tight and secure.

- When not in use, store the shotgun in a safe location, ensuring the magazine cap is protected from impact and environmental damage.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the magazine cap in accordance with local regulations regarding plastic and metal waste.
- **Recycling:** If possible, recycle the magazine cap. Check with local recycling centers for specific guidelines.
- **Safe Disposal:** If the product is damaged beyond use, ensure it is disposed of safely to prevent any potential hazards.

Contact Information for Further Support

For any inquiries or support regarding the Remington 20 GA Magazine Cap, please refer to the manufacturer's official website or customer service channels for assistance.

By following these guidelines, you can ensure the safe and effective use of your Remington 20 GA Magazine Cap with Swivel Hole. Thank you for your attention to safety, and enjoy your product responsibly.
