Safety Instruction Guide for the 410 Bore Stripped Receiver with Steel Ejector for Remington 870

Introduction

Thank you for choosing the 410 Bore Stripped Receiver with Steel Ejector for your Remington 870. This product is designed to enhance the performance and reliability of your firearm. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that the firearm is unloaded before performing any installation or maintenance.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the receiver and all components for signs of wear or damage.
- Use only compatible parts and accessories with your Remington 870 to avoid malfunctions.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use the receiver if it has been damaged or modified in any way.
- Ensure that the installation is performed by a qualified individual or gunsmith if you are not experienced.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Be aware of your surroundings and ensure that the area is clear of people and obstacles before firing.
- Follow all local laws and regulations regarding firearm use and ownership.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather all necessary tools for installation.

2. Installation Steps

- Remove the existing receiver from the Remington 870 by following the manufacturer's instructions.
- Carefully position the new 410 Bore Stripped Receiver in place.
- Align the receiver with the mounting points and secure it using the appropriate screws and tools.
- Doublecheck that all components are tightened and secure.

3. PostInstallation Checks

- Perform a function check to ensure that the receiver operates correctly.
- Inspect the installation for any signs of misalignment or improper fitting.
- Ensure that the steel ejector is functioning as intended.

4. Usage Instructions

- Load the firearm only when you are ready to shoot.

- Always check the chamber and magazine for obstructions before firing.
- Follow proper shooting techniques and guidelines to ensure safety.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the receiver or any components become damaged beyond repair, dispose of them responsibly, ensuring that they do not pose a hazard to others.

Contact Information for Further Support

For any inquiries regarding the safety and usage of this product, please refer to the contact information provided by the manufacturer or retailer at the time of purchase.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible handling and use of firearms.
