Safety Instruction Guide for Padded Sling Strap Assembly for Remington 870

Introduction

Thank you for choosing the Butler Creek Padded Sling Strap Assembly for your Remington 870 shotgun. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read the following guidelines carefully to maximize your safety and the longevity of your sling strap.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the sling strap before use for any signs of wear or damage.
- Keep the sling strap away from children and vulnerable individuals.
- Report any unsafe product conditions or incidents to the relevant authorities.
- Stay informed about any product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Use Properly:** Always attach the sling strap to the designated mounting points on your Remington 870.
- **Check Load Capacity:** Ensure that the sling strap can support the weight of your shotgun and any additional gear.
- **Avoid Modifications:** Do not alter or modify the sling strap in any way, as this may compromise its safety and functionality.
- **Regular Maintenance:** Clean the sling strap regularly and check for signs of wear, such as fraying or tears.
- **Storage:** Store the sling strap in a cool, dry place away from direct sunlight to prevent material degradation.

Instructions for Installation and Usage

1. Installation:

- Identify the mounting points on your Remington 870 shotgun.
- Attach the sling strap clips securely to the mounting points.
- Adjust the length of the sling strap as needed for a comfortable fit.

2. Usage:

- When using the sling strap, ensure that it is properly adjusted to your body size and shooting position.
- Always keep a firm grip on your shotgun while using the sling strap.
- Avoid using the sling strap in situations where it may become tangled or caught on obstacles.

Disposal Instructions

- Dispose of the sling strap in accordance with local regulations.
- If the sling strap is damaged beyond use, consider recycling the materials where applicable.
- Do not dispose of the sling strap in regular household waste if it can be recycled.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Butler Creek Padded Sling Strap Assembly for Remington 870, please reach out to your retailer or the manufacturer directly.

By following these guidelines, you can ensure a safe and enjoyable experience with your Padded Sling Strap Assembly. Thank you for your attention to safety!
