Safety Instructions for RCBS MatchMaster Powder Funnel Kit

Introduction

Thank you for choosing the RCBS MatchMaster Powder Funnel Kit. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the kit.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product manual.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Always follow local laws and regulations regarding reloading and handling of ammunition components.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the powder funnel kit only with compatible calibers as specified in the product description.
- Avoid using the funnel in a cluttered workspace to prevent accidental spills or injuries.
- Ensure your hands are clean and dry before handling the powder and components.
- Do not inhale powder dust. Use in a wellventilated area and consider wearing a mask if necessary.
- Store the powder and funnel kit in a cool, dry place away from direct sunlight and heat sources.
- Do not attempt to modify or repair the funnel or adapters. Contact the manufacturer for support.

Instructions for Installation and Usage

1. Unpacking the Kit

- Carefully remove the funnel and adapters from the packaging.
- Inspect all components for any damage or defects.

2. Choosing the Right Adapter

- Select the appropriate adapter for your caliber. The kit includes adapters for .22, 6mm, 6.5mm, 7mm, .30, and 338.
- Ensure that the adapter fits snugly onto the funnel before use.

3. Using the Powder Funnel

- Place the funnel securely over the case neck.
- Pour the powder into the funnel slowly to prevent spills.
- Allow the powder to flow freely into the case. If clogging occurs, gently tap the funnel to dislodge the powder.

4. Cleaning and Maintenance

- After use, clean the funnel and adapters with a soft brush or cloth to remove any residual powder.
- Store the funnel and adapters in the provided storage case to keep them organized and protected.

Disposal Instructions

- Dispose of any unused powder and materials in accordance with local regulations.
- Do not throw the product in regular household waste. Check local guidelines for proper disposal methods for metal and plastic components.
