

MATCHMASTER POWDER FUNNEL - RCBS MATCHMASTER ALUMINUM POWDER FUNNEL

RCBS MATCHMASTER POWDER FUNNEL Meet the fastest, most precise powder funnel on the market. The RCBS MatchMaster Aluminum Powder Funnel is engineered to revolutionize your reloading process with unmatched speed, accuracy, and convenience. Designed to handle all types of smokeless powder—stick, spherical, or flake—this funnel ensures flawless powder flow without clogs, spills, or wasted grains. Crafted from high-strength aluminum, the funnel features a premium anti-stick coating that prevents powder from clinging, giving you a clean and consistent pour every time. Pair it with our precision-fit MatchMaster adapters (sold separately) for calibers ranging from .17 to .50 and enjoy a seamless reloading experience tailored to your specific needs. A Matchmaster Funnel kit is also available (sold separately) Whether you're a competitive shooter striving for the utmost accuracy or a dedicated reloader looking to save time and streamline your setup, the MatchMaster Funnel delivers the reliability and performance you demand. Made in the USA and backed by our Limited Lifetime Warranty, this funnel is built to last a lifetime.

Safety Instruction Guide for RCBS MatchMaster Aluminum Powder Funnel

Introduction

Thank you for choosing the RCBS MatchMaster Aluminum Powder Funnel. This guide provides essential safety instructions to ensure the safe and effective use of your powder funnel. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure that the powder funnel is used only for its intended purpose: the dispensing of smokeless powder.
- Keep the funnel out of reach of children and pets to prevent accidental injury or ingestion.
- Inspect the funnel for any damage before each use. Do not use if damaged.
- Always work in a wellventilated area when handling powder to avoid inhalation of fine particles.
- Store the funnel in a cool, dry place away from direct sunlight and heat sources.

Specific Safety Precautions for Use

- Avoid overfilling the funnel to prevent spills and wastage of powder.
- Use the funnel with the appropriate MatchMaster adapter for your specific caliber to ensure a secure fit.
- Do not use the funnel with any liquids or substances other than smokeless powder.
- Wear safety goggles and a dust mask when handling powder to protect your eyes and lungs.
- Do not shake or tap the funnel while it is filled with powder to avoid clogs or spills.

Instructions for Installation and Usage

1. Preparation:

- Ensure your work area is clean and free from any distractions or hazards.
- Gather all necessary components, including the funnel and the appropriate MatchMaster adapter.

2. Installation:

- Select the correct MatchMaster adapter for your caliber.
- Firmly attach the adapter to the funnel until it is secure.
- Ensure that the connection is tight to prevent any leaks during use.

3. Usage:

- Place the funnel over the opening of your reloading case.
- Carefully pour the smokeless powder into the funnel, avoiding any overfilling.
- Allow the powder to flow into the case naturally. Do not force it.
- Once finished, remove the funnel and adapter from the case.

4. PostUsage:

- Clean the funnel after each use to prevent powder residue buildup.
- Store the funnel and adapter together in a safe place.

Disposal Instructions

- Dispose of any unused or expired powder according to local regulations for hazardous materials.

- Do not dispose of the funnel in regular household waste. Check with local waste management for proper disposal methods.
- Recycle the aluminum funnel if possible, following local recycling guidelines.

Contact Information for Further Support

For any safety inquiries or assistance regarding the RCBS MatchMaster Aluminum Powder Funnel, please refer to the manufacturer's contact information provided with the product packaging or visit the official website.

By following these safety instructions, you can ensure a safe and efficient reloading experience with your RCBS MatchMaster Aluminum Powder Funnel. Thank you for your attention to safety, and enjoy your reloading activities!
