MATCHMASTER POWDER FUNNEL ADAPTERS

Safety Instruction Guide

Introduction

Thank you for choosing the RCBS MatchMaster Powder Funnel Adapters. These adapters are designed to enhance your reloading experience by ensuring precise and efficient powder flow. This safety instruction guide provides essential information on the safe use, installation, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Always use the product in a wellventilated area.
- Inspect the product for any damage or wear before each use.
- Do not use the product for any purpose other than its intended use.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the funnel adapters only with the RCBS MatchMaster Powder Funnel system.
- Ensure that the adapter is securely attached to the funnel before use.
- Avoid overfilling the powder funnel to prevent spills.
- Do not attempt to modify or alter the funnel adapters in any way.
- Handle all reloading materials with care and follow all safety protocols related to ammunition reloading.
- Always wear appropriate personal protective equipment, such as safety glasses, when reloading.

Instructions for Installation and Usage

1. Installation:

- Select the appropriate funnel adapter for your specific caliber (.416 in this case).
- Align the adapter with the opening of the RCBS MatchMaster Powder Funnel.
- Push the adapter firmly into place until it is snug and secure.

2. Using the Funnel Adapter:

- Prepare your reloading workspace by ensuring it is clean and organized.
- Pour the desired powder into the funnel, ensuring that you do not exceed the recommended fill level.
- Hold the funnel steady over the case mouth to allow for accurate powder flow.
- Gently tap the funnel if necessary to encourage powder flow, but do not shake or jostle it.
- Once the powder has settled in the case, remove the funnel adapter carefully to avoid spills.

3. PostUse Care:

- Clean the funnel and adapter after each use to prevent powder residue buildup.
- Store the funnel and adapters in a cool, dry place, away from direct sunlight.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the product is damaged or no longer usable, dispose of it responsibly, ensuring that it does not pose a safety risk to others.
- Do not throw the product into regular household waste. Check for local disposal guidelines for hazardous materials.
