Introduction

Thank you for choosing the RCBS MatchMaster Powder Funnel Drop Tube. This product is designed to help you achieve precise powder measurements for your reloading needs. To ensure your safety and the safe use of this product, please read and understand the following safety instructions carefully.

General Safety Guidelines

- Ensure the product is used solely for its intended purpose.
- Always follow the manufacturer's instructions for use and maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the drop tube only with the RCBS MatchMaster Powder Funnel.
- Avoid using the drop tube if it is damaged or has been altered.
- Do not exceed recommended load capacities when using the drop tube.
- Always work in a wellventilated area to avoid inhaling any dust or particles.
- Wear appropriate personal protective equipment, such as safety glasses, when handling powders.
- Ensure that the work area is clean and free from distractions while using the product.

Instructions for Installation and Usage

1. Installation:

- Align the drop tube with the RCBS MatchMaster Powder Funnel.
- Gently insert the drop tube into the funnel until it fits securely.
- Ensure there are no gaps or loose connections before use.

2. Usage:

- Measure your powder according to the specifications of your reloading process.
- Pour the powder into the funnel, allowing it to flow through the drop tube.
- Avoid shaking or tapping the funnel while pouring to prevent spills or mismeasurement.
- After use, detach the drop tube from the funnel and clean as per the maintenance instructions.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in general household waste.
- If the product is damaged beyond repair, contact your local waste management authority for proper disposal methods.
