

MATCHMASTER BULLET SEATER DIES - RCBS .222 REMINGTON

MATCHMASTER BULLET SEATING DIE

RCBS MATCHMASTER BULLET SEATER DIES Matchmaster dies are the pinnacle of reloading dies with rich features, outstanding fit and finish, and unbeatable accuracy. Available in both full-length size and neck-size sets, as well as a stand-alone seater die, you will enjoy years of use from Matchmaster dies. Each die is made from case hardened steel, the inside surfaces are precision-drilled and reamed to exacting standards, and hand polished. The Matchmaster seater die is beautifully machined, polished, and finished off with a deep blued finish like on the finest firearms. The large, oversized adjustment knob on the Matchmaster seater die has oversized letters and hash marks making it both precise to turn as well as easy to read. Dial one thousandth of an inch, and that is exactly what you will get. The seater also features RCBS exclusive loading window which allows you to drop the bullet in and simply run the press to seat your bullet. No more trying to balance a bullet on a case mouth or putting fingers in danger. The internal sleeve catches and holds the bullet in perfect alignment with the case and guides it during the seating operation for astoundingly concentric results. FEATURES Bullet Seating Die Only Bullet seating window with bullet retention system Large Oversize Micrometer for easy adjustments free-floating, self-centering bullet seating stem Standard 7/8"-14 Thread Limited Lifetime Warranty Made in USA

MATCHMASTER BULLET SEATER DIES RCBS .222 REMINGTON Safety Instruction Guide

Introduction

Thank you for choosing the MATCHMASTER BULLET SEATER DIES RCBS .222 REMINGTON. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow all instructions carefully to maximize your safety and the effectiveness of the bullet seating die.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the MATCHMASTER BULLET SEATER DIES by following the guidelines in this manual. These guidelines apply to all nonfood products, including new technologies and online purchases.
- **Enhanced Recalls:** Stay informed about product recalls. The standardized recall notices will provide information on any safety concerns regarding this product.
- **Online Shopping:** If purchased online, ensure that the platform meets safety requirements equivalent to those of physical stores.
- **Special Consumer Focus:** Extra caution should be taken when using this product around vulnerable groups, such as children. Keep this product out of their reach.
- **EU Contact Point:** For any safety inquiries, ensure you have access to an EU-based contact for assistance.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Read the Manual:** Always read and understand the user manual before using the bullet seating die.
- **Use Personal Protective Equipment (PPE):** Wear safety glasses and gloves to protect against any debris or sharp edges during use.
- **Inspect Before Use:** Check the bullet seating die for any signs of damage or wear before each use. Do not use if damaged.
- **Keep Workspace Clean:** Maintain a clean and organized work area to avoid accidents and ensure safe handling of materials.
- **Use Proper Tools:** Use appropriate tools and equipment as specified in the manual to avoid injury and ensure effective use.
- **Avoid Distractions:** Focus on the task at hand and avoid distractions while using the bullet seating die.
- **Store Safely:** Store the bullet seating die in a secure location when not in use, away from children and unauthorized users.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is compatible with the MATCHMASTER BULLET SEATER DIES.
- Securely attach the die to the reloading press using the standard 7/8"14 thread.
- Adjust the die to the desired seating depth according to your specifications.

2. Usage:

- Prepare your cases and bullets as per standard reloading practices.
- Place a bullet into the bullet seating window of the die.
- Engage the press to seat the bullet. The internal sleeve will align the bullet with the case.
- Monitor the adjustment knob for precise measurements. Adjust as necessary for accuracy.

- After use, clean the die to maintain its performance and longevity.

Disposal Instructions

- **Dispose Responsibly:** Dispose of any unused or damaged components in accordance with local regulations.
- **Recycling:** Where possible, recycle metal components to minimize waste.
- **Environmental Considerations:** Do not dispose of the product in general waste. Follow local guidelines for hazardous materials if applicable.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please consult your retailer or manufacturer's website for support resources.

By following these safety instructions, you can ensure a safe and effective reloading experience with the MATCHMASTER BULLET SEATER DIES RCBS .222 REMINGTON. Thank you for prioritizing safety in your reloading practices.
