

MATCHMASTER BULLET SEATER DIES - RCBS 6MM REMINGTON

MATCHMASTER BULLET SEATING DIE

RCBS MATCHMASTER BULLET SEATER DIES Matchmaster dies are the pinnacle of reloading dies with rich features, outstanding fit and finish, and unbeatable accuracy. Available in both full-length size and neck-size sets, as well as a stand-alone seater die, you will enjoy years of use from Matchmaster dies. Each die is made from case hardened steel, the inside surfaces are precision-drilled and reamed to exacting standards, and hand polished. The Matchmaster seater die is beautifully machined, polished, and finished off with a deep blued finish like on the finest firearms. The large, oversized adjustment knob on the Matchmaster seater die has oversized letters and hash marks making it both precise to turn as well as easy to read. Dial one thousandth of an inch, and that is exactly what you will get. The seater also features RCBS exclusive loading window which allows you to drop the bullet in and simply run the press to seat your bullet. No more trying to balance a bullet on a case mouth or putting fingers in danger. The internal sleeve catches and holds the bullet in perfect alignment with the case and guides it during the seating operation for astoundingly concentric results. FEATURES Bullet Seating Die Only Bullet seating window with bullet retention system Large Oversize Micrometer for easy adjustments free-floating, self-centering bullet seating stem Standard 7/8"-14 Thread Limited Lifetime Warranty Made in USA

MATCHMASTER BULLET SEATER DIES RCBS Safety Instruction Guide

Introduction

Thank you for choosing the MATCHMASTER BULLET SEATER DIES RCBS. This document provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before use to understand the safety precautions and operational instructions.

General Safety Guidelines

- Always ensure that your work area is clean and welllit.
- Use appropriate personal protective equipment (PPE), including safety glasses and gloves, to protect against debris and potential hazards.
- Keep the workspace free from distractions and ensure children and pets are kept at a safe distance during operation.
- Always follow the manufacturer's instructions and guidelines when using the bullet seater dies.
- Regularly inspect the dies for any signs of wear or damage before use. Do not use damaged equipment.
- Ensure that you are using the dies with the correct cartridges as specified in the product specifications.

Specific Safety Precautions for Use

- Ensure that the die is securely mounted in the reloading press before use.
- Always make sure that the press is in the correct position and locked before seating bullets.
- Avoid placing fingers near the die during operation to prevent injury.
- Do not exceed the recommended load limits when using the dies.
- Use only compatible bullets and cases to avoid malfunction or accidents.
- If you experience any unusual sounds or resistance during operation, stop immediately and inspect the equipment.
- Do not modify the dies or press in any way that may compromise safety or functionality.

Instructions for Installation and Usage

1. Installation:

- Securely mount the MATCHMASTER BULLET SEATER DIE into your reloading press according to the manufacturer's instructions.
- Ensure that the die is tightened properly to avoid any movement during operation.

2. Usage:

- Set the desired seating depth using the large, oversized adjustment knob. Ensure that it is easy to read and adjust.
- Place the bullet in the loading window of the die. The internal sleeve will hold the bullet in alignment with the case.
- Operate the press slowly and steadily to seat the bullet. Do not rush the process.
- After seating, check the bullet for proper alignment and depth before proceeding with further reloading steps.

Disposal Instructions

- Dispose of any used or damaged dies in accordance with local regulations.
- Ensure that all materials are recycled or disposed of in an environmentally friendly manner.

- Do not throw away dies in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the MATCHMASTER BULLET SEATER DIES RCBS, please refer to the manufacturer's website or contact their customer service for assistance.

Conclusion

Your safety is paramount when using the MATCHMASTER BULLET SEATER DIES RCBS. By adhering to these safety instructions, you can ensure a safe and efficient reloading experience. Always stay informed about best practices and regulatory updates related to product safety. Thank you for your attention to these important guidelines.
