

MATCHMASTER BULLET SEATER DIES - RCBS 6.8MM WESTERN

MATCHMASTER BULLET SEATING DIE

RCBS MATCHMASTER BULLET SEATER DIES Matchmaster dies are the pinnacle of reloading dies with rich features, outstanding fit and finish, and unbeatable accuracy. Available in both full-length size and neck-size sets, as well as a stand-alone seater die, you will enjoy years of use from Matchmaster dies. Each die is made from case hardened steel, the inside surfaces are precision-drilled and reamed to exacting standards, and hand polished. The Matchmaster seater die is beautifully machined, polished, and finished off with a deep blued finish like on the finest firearms. The large, oversized adjustment knob on the Matchmaster seater die has oversized letters and hash marks making it both precise to turn as well as easy to read. Dial one thousandth of an inch, and that is exactly what you will get. The seater also features RCBS exclusive loading window which allows you to drop the bullet in and simply run the press to seat your bullet. No more trying to balance a bullet on a case mouth or putting fingers in danger. The internal sleeve catches and holds the bullet in perfect alignment with the case and guides it during the seating operation for astoundingly concentric results. FEATURES Bullet Seating Die Only Bullet seating window with bullet retention system Large Oversize Micrometer for easy adjustments free-floating, self-centering bullet seating stem Standard 7/8"-14 Thread Limited Lifetime Warranty Made in USA

MATCHMASTER BULLET SEATER DIES Safety Instruction Guide

Introduction

Thank you for choosing the MATCHMASTER BULLET SEATER DIES RCBS 6.8MM WESTERN. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this document carefully before using the bullet seating die.

General Safety Guidelines

- Always follow the manufacturer's instructions for use and maintenance.
- Ensure that the workspace is clean, welllit, and free from distractions.
- Keep the product out of reach of children and unauthorized users.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling materials.
- Be aware of your surroundings and ensure that no one is in the vicinity when operating the die.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Avoid wearing loose clothing or jewelry that may become entangled in the equipment.
- Do not exceed the recommended bullet seating specifications to prevent equipment failure.
- Always check the die for damage or wear before each use. Do not use if damaged.
- Ensure the bullet is properly seated and aligned before applying pressure.
- Use the die only for its intended purpose; do not modify or alter the die in any way.
- Do not operate the die under the influence of drugs or alcohol.

Instructions for Installation and Usage

1. Installation:

- Ensure the press is securely mounted to a stable work surface.
- Select the appropriate caliber and ensure the MATCHMASTER BULLET SEATER DIES is compatible with your reloading setup.
- Secure the die in the press using the standard 7/8"14 thread.
- Adjust the height of the die according to the manufacturer's specifications.

2. Usage:

- Prepare your cases and ensure they are clean and free from obstructions.
- Place the bullet in the bullet seating window.
- Operate the press to seat the bullet. The internal sleeve will guide the bullet into perfect alignment.
- Use the large oversize micrometer for precise adjustments as needed.
- After seating, check each round for proper seating depth and alignment.
- Store the die in a safe, dry place when not in use.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the die in general waste. Instead, contact a local recycling center or hazardous waste facility for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or maintenance of the MATCHMASTER BULLET SEATER DIES, please refer to the manufacturer's contact information provided with your product.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective reloading experience with the MATCHMASTER BULLET SEATER DIES. Thank you for prioritizing safety in your reloading activities.
