

MATCHMASTER BULLET SEATER DIES - RCBS 7X57 MAUSER

MATCHMASTER BULLET SEATING DIE

RCBS MATCHMASTER BULLET SEATER DIES Matchmaster dies are the pinnacle of reloading dies with rich features, outstanding fit and finish, and unbeatable accuracy. Available in both full-length size and neck-size sets, as well as a stand-alone seater die, you will enjoy years of use from Matchmaster dies. Each die is made from case hardened steel, the inside surfaces are precision-drilled and reamed to exacting standards, and hand polished. The Matchmaster seater die is beautifully machined, polished, and finished off with a deep blued finish like on the finest firearms. The large, oversized adjustment knob on the Matchmaster seater die has oversized letters and hash marks making it both precise to turn as well as easy to read. Dial one thousandth of an inch, and that is exactly what you will get. The seater also features RCBS exclusive loading window which allows you to drop the bullet in and simply run the press to seat your bullet. No more trying to balance a bullet on a case mouth or putting fingers in danger. The internal sleeve catches and holds the bullet in perfect alignment with the case and guides it during the seating operation for astoundingly concentric results. FEATURES Bullet Seating Die Only Bullet seating window with bullet retention system Large Oversize Micrometer for easy adjustments free-floating, self-centering bullet seating stem Standard 7/8"-14 Thread Limited Lifetime Warranty Made in USA

MATCHMASTER BULLET SEATER DIES Safety Instruction Guide

Introduction

Thank you for choosing the MATCHMASTER BULLET SEATER DIES RCBS 7X57 MAUSER. This guide provides essential safety instructions to ensure the safe and effective use of your bullet seating die. Please read this guide carefully before use to understand all safety precautions and operational procedures.

General Safety Guidelines

- Always follow the manufacturer's instructions when using the MATCHMASTER BULLET SEATER DIES.
- Ensure that you are familiar with the safe handling of reloading equipment and ammunition.
- Keep the dies and all reloading components out of reach of children and unauthorized individuals.
- Use safety glasses to protect your eyes during reloading operations.
- Do not use the dies for any purpose other than intended.
- Regularly inspect the dies for wear or damage before use.
- Store the dies in a dry, cool place to prevent rust and deterioration.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The use of reloading dies carries risks such as accidental discharge, injury from sharp edges, and exposure to gunpowder.
- **Avoiding Hazards:**
 - Always ensure the press is in the "safe" position before inserting or removing components.
 - Handle all components with care to avoid injury.
 - Do not overload the die beyond its specified limits.
 - Ensure proper ventilation when working with gunpowder and primers.
- **Age Restrictions:**
 - This product is intended for use by individuals aged 18 years and older. Ensure that minors are supervised by an adult when handling reloading equipment.

Instructions for Installation and Usage

1. Installation:

- Make sure the reloading press is securely mounted and stable.
- Carefully screw the MATCHMASTER BULLET SEATER DIES into the press using the standard 7/8"14 thread.
- Adjust the die to the desired height according to your bullet specifications.

2. Usage:

- Before starting, confirm that the reloading area is clean and free from obstructions.
- Place the bullet in the loading window of the seater die.
- Operate the press smoothly to seat the bullet. Avoid jerky movements to ensure consistent seating depth.
- Regularly check the adjustment knob for precise settings and make adjustments as needed.

3. **PostUsage:**

- After reloading, clean the dies to remove any residue.
- Store the dies in their original packaging to protect them from damage.

Disposal Instructions

- Dispose of any unused or expired reloading components in accordance with local regulations.
- Do not dispose of hazardous materials, such as gunpowder or primers, in regular trash. Contact local waste management services for proper disposal procedures.

Contact Information for Further Support

For any inquiries regarding safety or product use, please refer to the manufacturer's website or contact their customer service directly. Ensure you have your product details ready when seeking assistance.

By following these safety instructions, you can enjoy a safe and successful reloading experience with your MATCHMASTER BULLET SEATER DIES. Always prioritize safety and stay informed about best practices in reloading. Thank you for your attention to these important guidelines.
