

MATCHMASTER BULLET SEATER DIES - RCBS .280 ACKLEY

IMPROVED MATCHMASTER BULLET SEATING DIE

RCBS MATCHMASTER BULLET SEATER DIES Matchmaster dies are the pinnacle of reloading dies with rich features, outstanding fit and finish, and unbeatable accuracy. Available in both full-length size and neck-size sets, as well as a stand-alone seater die, you will enjoy years of use from Matchmaster dies. Each die is made from case hardened steel, the inside surfaces are precision-drilled and reamed to exacting standards, and hand polished. The Matchmaster seater die is beautifully machined, polished, and finished off with a deep blued finish like on the finest firearms. The large, oversized adjustment knob on the Matchmaster seater die has oversized letters and hash marks making it both precise to turn as well as easy to read. Dial one thousandth of an inch, and that is exactly what you will get. The seater also features RCBS exclusive loading window which allows you to drop the bullet in and simply run the press to seat your bullet. No more trying to balance a bullet on a case mouth or putting fingers in danger. The internal sleeve catches and holds the bullet in perfect alignment with the case and guides it during the seating operation for astoundingly concentric results. FEATURES Bullet Seating Die Only Bullet seating window with bullet retention system Large Oversize Micrometer for easy adjustments free-floating, self-centering bullet seating stem Standard 7/8"-14 Thread Limited Lifetime Warranty Made in USA

MATCHMASTER BULLET SEATER DIES RCBS .280 ACKLEY IMPROVED Safety Instruction Guide

Introduction

Thank you for choosing the RCBS MATCHMASTER BULLET SEATER DIES. This guide provides essential safety instructions to ensure the safe and proper use of the product. Please read this guide carefully before use to minimize risks and enhance your reloading experience.

General Safety Guidelines

- Ensure safe use of all reloading equipment by following the manufacturer's instructions.
- Always inspect your dies for any signs of damage before use.
- Use only the recommended components and materials for reloading.
- Store reloading components and equipment out of reach of children and vulnerable individuals.
- Be aware of the risks associated with handling gunpowder and ammunition.
- Follow local laws and regulations regarding reloading and ammunition storage.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses and gloves, when reloading ammunition.
- Do not use the bullet seater die if it appears damaged or malfunctioning.
- Ensure that your workspace is clean and organized to prevent accidents.
- Avoid distractions while reloading to maintain focus and precision.
- Never attempt to modify the die or its components.
- Keep your hands and other objects away from the die's moving parts during operation.
- Use the die in a wellventilated area to avoid inhaling any harmful particles.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted on a stable surface.
- Thread the MATCHMASTER BULLET SEATER DIE into the press using the standard 7/8"14 thread.
- Tighten the die securely but avoid overtightening, which may cause damage.

2. Usage:

- Before seating bullets, verify that the die is clean and free of debris.
- Adjust the large oversize micrometer knob to the desired bullet seating depth.
- Utilize the RCBS exclusive loading window to drop the bullet into the die.
- Operate the press smoothly to seat the bullet without excessive force.
- Check the alignment of the bullet and case during the seating process to ensure concentric results.
- After use, clean the die to remove any residue and store it in a safe place.

Disposal Instructions

- Dispose of any reloading components, such as spent primers and unused powder, in accordance with local regulations.
- Do not throw away hazardous materials in regular trash; consult local waste management authorities for proper disposal methods.
- Ensure that all packaging materials are disposed of responsibly and in compliance with recycling guidelines.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MATCHMASTER BULLET SEATER DIES, please refer to the manufacturer's contact information provided with the product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with the RCBS MATCHMASTER BULLET SEATER DIES. Always prioritize safety and stay informed about best practices in reloading. Thank you for your commitment to responsible use.
