

# MATCHMASTER BULLET SEATER DIES - RCBS .28 NOSLER

## MATCHMASTER BULLET SEATING DIE

RCBS MATCHMASTER BULLET SEATER DIES Matchmaster dies are the pinnacle of reloading dies with rich features, outstanding fit and finish, and unbeatable accuracy. Available in both full-length size and neck-size sets, as well as a stand-alone seater die, you will enjoy years of use from Matchmaster dies. Each die is made from case hardened steel, the inside surfaces are precision-drilled and reamed to exacting standards, and hand polished. The Matchmaster seater die is beautifully machined, polished, and finished off with a deep blued finish like on the finest firearms. The large, oversized adjustment knob on the Matchmaster seater die has oversized letters and hash marks making it both precise to turn as well as easy to read. Dial one thousandth of an inch, and that is exactly what you will get. The seater also features RCBS exclusive loading window which allows you to drop the bullet in and simply run the press to seat your bullet. No more trying to balance a bullet on a case mouth or putting fingers in danger. The internal sleeve catches and holds the bullet in perfect alignment with the case and guides it during the seating operation for astoundingly concentric results. FEATURES Bullet Seating Die Only Bullet seating window with bullet retention system Large Oversize Micrometer for easy adjustments free-floating, self-centering bullet seating stem Standard 7/8"-14 Thread Limited Lifetime Warranty Made in USA

# MATCHMASTER BULLET SEATER DIES RCBS Safety Instructions

## Introduction

Thank you for choosing the MATCHMASTER BULLET SEATER DIES RCBS .28 NOSLER. This product is designed for precision reloading to enhance your shooting experience. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Store all reloading dies and components in a secure location, out of reach of children and unauthorized users.
- Ensure that your workspace is clean, organized, and free from distractions when using the bullet seater die.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading ammunition.
- Familiarize yourself with the specific characteristics and requirements of .28 Nosler ammunition before use.
- Do not exceed recommended loading specifications and always follow published reloading data.

## Specific Safety Precautions for Use

- Ensure that the bullet seater die is compatible with your reloading press and the .28 Nosler cartridge.
- Before use, inspect the die for any signs of damage or wear. Do not use a damaged die.
- Avoid wearing loose clothing or jewelry that could become caught in the reloading press.
- Keep hands and fingers clear of the die's moving parts during operation.
- Do not attempt to modify or alter the die in any way.
- If you experience any unusual resistance or difficulty while using the die, stop immediately and inspect for any issues.
- Never leave the reloading press unattended while in operation.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the reloading press is securely mounted and stable.
- Remove any previous dies from the press.
- Insert the MATCHMASTER BULLET SEATER DIE into the press and tighten it securely.
- Adjust the die height according to the manufacturer's instructions for proper bullet seating depth.

### 2. Usage

- Prepare your cases and ensure they are clean and free of debris.
- Place the bullet into the bullet seating window of the die.
- Operate the press to seat the bullet into the case. The internal sleeve will assist in aligning the bullet correctly.
- Check the seating depth using calipers to ensure it meets your specifications.
- After use, clean the die to remove any residue and store it in a safe place.

## **Disposal Instructions**

- Dispose of any unused or damaged reloading components in accordance with local regulations.
- Do not dispose of reloading dies or equipment in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MATCHMASTER BULLET SEATER DIES RCBS, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you will help ensure a safe and enjoyable reloading experience. Always prioritize safety and stay informed about best practices in reloading. Thank you for your attention to these important guidelines.
