MK2 1913 Risers Safety Instruction Guide

Introduction

Thank you for choosing the MK2 1913 Risers by Midwest Industries, Inc. This guide provides essential safety instructions to ensure the proper use and installation of the product. It is designed to comply with the EU General Product Safety Regulation (GPSR) to help you enjoy a safe and reliable shooting experience.

General Safety Guidelines

- Always read and understand the safety instructions before using the MK2 1913 Risers.
- Ensure that the product is suitable for your specific firearm and accessories.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before each use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check the EU's Safety Gate platform for recall updates related to this product.

Specific Safety Precautions for Use

- Ensure that the MK2 1913 Risers are securely mounted to the Picatinny rail before use.
- Do not exceed the weight limit specified for the risers to avoid potential failure.
- Use the provided Torx hardware for installation to ensure secure assembly.
- Avoid using the risers in extreme temperatures or environments that may compromise their integrity.
- Use caution when handling firearms and ensure they are unloaded during installation and maintenance of the risers.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including the provided Torx wrench.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation

- Position the MK2 1913 Riser on the desired location of the Picatinny rail.
- Align the riser with the rail slots to ensure a secure fit.
- Insert the Torx screws through the clamps into the rail slots.
- Tighten the screws evenly using the Torx wrench to secure the riser in place.

3. Usage

- Once installed, check the stability of the riser by gently applying pressure.
- Attach your optic or accessory as per the manufacturer's instructions.
- Ensure that the optic is properly zeroed before use.

4. Maintenance

- Periodically check the tightness of the screws and the overall condition of the risers.
- Clean the risers with a soft cloth to remove dirt and debris.

Disposal Instructions

- Dispose of the MK2 1913 Risers in accordance with local regulations regarding metal and aluminum

waste.

- Do not dispose of the product in household waste. Instead, use designated recycling facilities.

Contact Information for Further Support

For any questions or concerns regarding the MK2 1913 Risers, please refer to the product packaging or visit the manufacturer's website for further assistance.

Thank you for following these safety guidelines. Enjoy your shooting experience with the MK2 1913 Risers!
