Safety Instruction Guide for MK2 1913 Risers

Introduction

Thank you for choosing the MK2 1913 Risers by Midwest Industries, Inc. This product is designed to enhance your shooting experience with precision and reliability. To ensure safe and effective use, please read this safety instruction guide carefully before installation and usage.

General Safety Guidelines

- **Product Safety:** Ensure the safe use of this product by following all guidelines. This product is designed for nonfood applications and is compliant with EU safety regulations.
- **Enhanced Recalls:** Stay informed about any product recalls. If this product is found to be unsafe, you will be notified through standardized recall notices.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements equivalent to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Extra precautions should be taken to keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the EU-based contact provided by the retailer.
- **Rapid Alerts:** Follow updates on unsafe products via the EU Safety Gate system.

Specific Safety Precautions for Use

- **Check Compatibility:** Ensure that the MK2 1913 Risers are compatible with your 1913 Picatinny rail setup before installation.
- **Inspect Before Use:** Always inspect the risers for any damage or defects before use. Do not use if damaged.
- **Secure Assembly:** Use the integrated Torx hardware to secure the risers properly. Loose fittings can lead to accidents.
- **Proper Height Adjustment:** The risers add .625" height. Ensure that this height is suitable for your optics and shooting style.
- **Avoid Overloading:** Do not exceed the recommended weight limits for the risers to maintain safety and stability.
- **Use Only Recommended Accessories:** Only use optics and accessories that are specified for use with the MK2 1913 Risers.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools, including a Torx screwdriver.
- Ensure that your work area is clean and free of distractions.

2. Installation Steps:

- Align the MK2 1913 Risers with the desired position on the Picatinny rail.
- Insert the Torx screws into the clamps and tighten securely to ensure a stable fit.
- Doublecheck the alignment and stability of the risers before mounting any optics or accessories.

3. Usage:

- Once installed, mount your optics or accessories according to their specific instructions.
- Regularly check the tightness of the risers and the mounted accessories to prevent loosening during use.

Disposal Instructions

- **Recycling:** Dispose of the MK2 1913 Risers responsibly. If possible, recycle the aluminum and other materials according to local recycling guidelines.
- **Hazardous Waste:** If any components are deemed hazardous or nonrecyclable, follow local regulations for hazardous waste disposal.

Contact Information for Further Support

For any inquiries regarding safety or performance, please contact the retailer or manufacturer from whom you purchased the MK2 1913 Risers. Ensure you have your purchase details ready for reference.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your enhanced shooting experience with the MK2 1913 Risers!
