MK2 1913 Risers Safety Instruction Guide

Introduction

Thank you for choosing the MK2 1913 Risers from Midwest Industries, Inc. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure safe use of the MK2 1913 Risers by following these guidelines:
 - Always inspect the risers for any damage before use.
 - Ensure that the risers are compatible with your specific 1913 Picatinny rail setup.
 - Keep the product out of reach of children and vulnerable individuals.
 - Use the product only for its intended purpose.
- Be aware of potential hazards:
 - Improper installation can lead to equipment failure.
 - Using incompatible accessories may compromise safety and performance.
- If you encounter any unsafe conditions or accidents, report them to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform to stay informed about any safety concerns related to this product.

Specific Safety Precautions for Use

- When using the MK2 1913 Risers, adhere to the following precautions:
 - Always use the provided Torx hardware for secure assembly.
 - Ensure that all clamps are tightened adequately before use.
 - Avoid overtightening the hardware, which may damage the risers.
 - Do not exceed the weight limit specified for each riser configuration (5slot: 2.4 oz; 9slot: 4.4 oz; 13slot: 4.9 oz).
 - Use optics and accessories that are specifically designed for the MK2 1913 Risers.
- For vulnerable groups, including children, ensure that they are supervised when in proximity to the product.

Instructions for Installation and Usage

- Follow these steps for proper installation:

1. Preparation:

- Gather all necessary tools, including a Torx screwdriver.
- Ensure that the installation area is clean and free from debris.

2. Installation:

- Align the MK2 1913 Riser with the Picatinny rail on your firearm.
- Insert the Torx screws into the designated holes on the riser.
- Tighten the screws evenly to secure the riser in place. Ensure it is firmly attached, but do

not overtighten.

3. Usage:

- Once installed, attach your optics or accessories according to their specific instructions.
- Regularly check the tightness of the riser and accessories during use to ensure safety.
- Always refer to the manufacturer's guidelines for any specific accessories used with the MK2 1913 Risers.

Disposal Instructions

- Dispose of the MK2 1913 Risers responsibly:
 - If the product is no longer in use, check local regulations for proper disposal of metal and aluminum materials.
 - Do not dispose of the product in regular household waste.
 - Consider recycling options available in your area.

Contact Information for Further Support

- For any inquiries regarding safety, usage, or product support, please refer to the contact information provided by the retailer or manufacturer where you purchased the MK2 1913 Risers.

Thank you for prioritizing safety while using the MK2 1913 Risers. Your commitment to following these guidelines contributes to a safe and enjoyable shooting experience.
