

"WILSON" 25-ROUND RELOADING TRAYS WITH CUP - L.E. WILSON, INC. .378" 25-ROUND RELOADING TRAY W/CUP BLACK & YELLOW

[Reloading](#) > [Case Preparation](#) > [Loading Blocks](#)

L.E. WILSON, INC. RELOADING TRAYS WITH CUP The L.E. Wilson 25-Round Reloading Tray (.473 case head) streamlines brass handling for the .308 Win family and other cartridges sharing the .473" bolt face. Precision-machined from durable HDPE plastic, it pairs a low-profile 25-hole layout with a convenient bullet/primer cup for efficient sorting, charging, and inspection. The black/yellow finish is tough and easy to spot on the bench, and the spacing gives you room to grab cases without tipping. Proudly made in the USA. FEATURES 25-Round Capacity – Holds up to 25 cases securely for organized case prep. Integrated Bullet/Primer Cup – Convenient storage for bullets or primers during reloading. Precision-Machined HDPE Plastic – Durable, solvent-resistant material that won't corrode. Low-Profile Design – Provides stability and easy access to cases without tipping. Black/Yellow Color Scheme – High-visibility finish for quick identification on the bench. Caliber-Specific Hole Sizes – Available in multiple head diameters (.380, .440, .473, .506, .533) to fit common cartridge families.

Safety Instruction Guide for WILSON 25Round Reloading Trays with Cup

Introduction

Thank you for choosing the WILSON 25Round Reloading Trays with Cup. This product is designed to enhance your reloading experience while ensuring safety and efficiency. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

General Safety Guidelines

- Always use the reloading tray in accordance with the manufacturer's instructions.
- Ensure that the reloading area is clean and free from distractions.
- Keep the reloading tray away from children and pets.
- Regularly inspect the reloading tray for any signs of damage or wear.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Proper Handling:**
 - Handle the reloading tray with care to avoid dropping it or causing damage.
 - Ensure that your hands are clean and dry when handling brass cases.
- **Avoid Overloading:**
 - Do not exceed the 25round capacity of the tray to maintain stability and organization.
- **Use in a Controlled Environment:**
 - Use the reloading tray in a wellventilated area to avoid inhaling any dust or particles from the brass.
- **Age Restrictions:**
 - This product is not intended for use by individuals under the age of 18. Adult supervision is recommended.

Instructions for Installation and Usage

1. **Setup:**
 - Place the reloading tray on a stable, flat surface.
 - Ensure the tray is positioned away from the edge of the table or bench.
2. **Loading Brass Cases:**
 - Insert brass cases into the holes of the tray, ensuring that each case is securely held.
 - Use the integrated bullet/primer cup for convenient storage of bullets or primers during the reloading process.
3. **Inspection and Charging:**

- Inspect each case for cleanliness and signs of wear before reloading.
- Use the lowprofile design to easily access and charge cases without tipping the tray.

4. PostUse Care:

- After use, empty the tray and clean it with a damp cloth if necessary.
- Store the reloading tray in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the reloading tray responsibly in accordance with local regulations.
- If the tray is damaged beyond use, consider recycling the HDPE plastic material where facilities are available.

Contact Information for Further Support

For any safety inquiries or additional support regarding the WILSON 25Round Reloading Trays with Cup, please refer to the manufacturer's contact information provided in the product packaging or visit the official website.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and efficient reloading experience.
