

# "WILSON" 25-ROUND RELOADING TRAYS WITH CUP - L.E. WILSON, INC. .533" 25-ROUND RELOADING TRAY W/CUP BLACK & YELLOW

L.E. WILSON, INC. RELOADING TRAYS WITH CUP The L.E. Wilson 25-Round Reloading Tray (.473 case head) streamlines brass handling for the .308 Win family and other cartridges sharing the .473" bolt face. Precision-machined from durable HDPE plastic, it pairs a low-profile 25-hole layout with a convenient bullet/primer cup for efficient sorting, charging, and inspection. The black/yellow finish is tough and easy to spot on the bench, and the spacing gives you room to grab cases without tipping. Proudly made in the USA. **FEATURES** 25-Round Capacity – Holds up to 25 cases securely for organized case prep. Integrated Bullet/Primer Cup – Convenient storage for bullets or primers during reloading. Precision-Machined HDPE Plastic – Durable, solvent-resistant material that won't corrode. Low-Profile Design – Provides stability and easy access to cases without tipping. Black/Yellow Color Scheme – High-visibility finish for quick identification on the bench. Caliber-Specific Hole Sizes – Available in multiple head diameters (.380, .440, .473, .506, .533) to fit common cartridge families.

# Safety Instruction Guide for WILSON 25Round Reloading Trays with Cup

## Introduction

Thank you for choosing the WILSON 25Round Reloading Tray with Cup by L.E. Wilson, Inc. This guide provides essential safety information and instructions for the proper use and maintenance of the product. Please read this guide carefully to ensure safe handling and operation.

## General Safety Guidelines

- Always ensure that the reloading tray is used in a welllit and clean environment.
- Keep the reloading tray out of reach of children and pets.
- Regularly inspect the tray for any signs of damage or wear before use.
- Use the reloading tray only for its intended purpose: sorting, charging, and inspecting brass casings.
- Avoid using the reloading tray with incompatible cartridge sizes to prevent damage and ensure safety.
- Do not overload the tray beyond its specified capacity of 25 rounds to maintain stability and ease of use.

## Specific Safety Precautions for Use

- Ensure that your hands are clean and dry before handling the tray to prevent slipping.
- When placing cases in the tray, do so gently to avoid tipping or spilling.
- Keep the tray on a stable surface while in use to prevent accidental tipping.
- Do not use the tray with solvents or chemicals that may damage the HDPE plastic.
- If you notice any cracks or deformities in the tray, discontinue use immediately and replace it.

## Instructions for Installation and Usage

### 1. Unboxing the Product

- Carefully remove the reloading tray from its packaging.
- Inspect the tray for any signs of damage during shipping.

### 2. Setting Up the Tray

- Place the tray on a flat, stable surface.
- Ensure that the tray is clean and free of debris before use.

### 3. Loading the Tray

- Identify the appropriate hole size for your cartridge. The tray is designed to accommodate common cartridge families with head diameters of .380, .440, .473, .506, and .533.
- Gently insert the brass casings into the holes, ensuring they are seated securely.
- Use the integrated bullet/primer cup for convenient storage of bullets or primers during reloading.

### 4. Using the Tray

- When sorting or charging cases, do so in a systematic manner to maintain organization.
- Avoid excessive force when handling the tray to prevent tipping or spilling.

### 5. PostUse Care

- After use, empty the tray of any remaining brass casings.
- Clean the tray with a damp cloth if necessary and allow it to dry completely before storage.

## **Disposal Instructions**

- Dispose of the reloading tray responsibly. If the tray is damaged or no longer usable, follow local regulations for plastic disposal.
- Do not incinerate the tray as it may release harmful fumes.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to your local retailer or the manufacturer's website for further assistance and support.

By following these safety instructions, you can ensure a safe and effective reloading experience with your WILSON 25Round Reloading Tray with Cup. Thank you for your attention to safety and proper use.
