EB EMERGENCY BOXES MTM EB1 EMERGENCY BOX Safety Instructions

Introduction

Thank you for choosing the MTM EB1 Emergency Box. This guide provides essential safety instructions to ensure safe use and maintenance of your emergency box. Please read this document carefully to understand the safety measures and guidelines associated with your product.

General Safety Guidelines

- Ensure the emergency box is used only for its intended purpose.
- Keep the box out of reach of children unless supervised by an adult.
- Regularly inspect the box for any signs of damage or wear.
- Store the box in a cool, dry place to prevent degradation of materials.
- Always follow local regulations related to the storage of emergency supplies.

Specific Safety Precautions for Use

- **WaterResistant ORing Seal:** Ensure the Oring seal is intact before use to maintain water resistance.
- **Padlock Tabs:** Use padlocks with appropriate size to secure the box. Ensure the latch is fully closed before locking.
- **HighImpact Polypropylene:** Avoid exposing the box to extreme temperatures which may affect its structural integrity.
- **Emergency Color:** The bright color of the box is designed for fast visibility. Do not cover or obscure this color.

Instructions for Installation and Usage

1. Choosing a Location:

- Select a stable, dry surface for placing the emergency box.
- Ensure the location is easily accessible in case of an emergency.

2. Filling the Box:

- Organize emergency supplies in the box according to your needs.
- Keep essential items such as first aid kits, flashlights, and food supplies.
- Avoid overfilling to ensure the box can be closed securely.

3. Securing the Box:

- Close the lid firmly and check that the Oring seal is in place.
- Use padlock tabs to secure the box if necessary.

4. Regular Maintenance:

- Periodically check the contents of the box to ensure supplies are up to date.
- Replace any expired items as needed.
- Inspect the box for any physical damage and replace it if necessary.

Disposal Instructions

- Dispose of the emergency box in accordance with local waste management regulations.
- If the box is damaged, please ensure it is recycled or disposed of in an environmentally friendly manner.
- Do not incinerate the box as it may release harmful substances.

Contact Information for Further Support

For any inquiries regarding safety or usage of the MTM EB1 Emergency Box, please contact your local distributor or the manufacturer directly. Always ensure that you have the latest safety updates and recall information.

Conclusion

By following these safety instructions, you can ensure the effective use of your MTM EB1 Emergency Box. Stay prepared and keep your emergency supplies organized and accessible. Thank you for prioritizing safety!
