EB EMERGENCY BOX 9.8 X 6.8 X 4.8 YELLOW GREEN Safety Instructions

Introduction

Thank you for choosing the MTM EB Emergency Box. This product is designed to help you organize and protect your essential items during emergencies. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the emergency box by following all instructions and warnings.
- **Enhanced Recalls:** Stay informed about recalls and safety updates through official channels.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** Use this product with care, especially around children and vulnerable individuals.
- **EU Contact Point:** For safety inquiries, refer to the contact point provided by the manufacturer or retailer.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **WaterResistant Seal:** The waterresistant Oring seal protects contents from rain and moisture. Ensure the seal is intact before use.
- **Padlock Tabs:** Use padlock tabs to secure the box when necessary, especially in highrisk situations.
- **HighImpact Polypropylene:** Handle the box with care to avoid damage to the highimpact polypropylene material.
- **Visibility:** The bright colors of the box are designed for fast visibility. Ensure it is placed in a location where it can be easily seen during emergencies.
- **Weight Limit:** Do not exceed the recommended weight limit for the box to prevent damage and ensure ease of transport.

Instructions for Installation and Usage

1. **Selecting a Location:** Choose a dry, cool place for storage, away from direct sunlight and extreme temperatures.
2. **Loading the Box:**
 - Organize items by category (e.g., first aid, food, tools).
 - Ensure that heavier items are placed at the bottom for stability.
 - Avoid overloading the box; ensure the lid closes securely.
3. **Sealing the Box:**
 - After loading, close the lid firmly to engage the Oring seal.
 - Use padlock tabs if additional security is needed.
4. **Regular Maintenance:**
 - Check the box periodically for any signs of wear or damage.
 - Ensure that the Oring seal remains clean and free of debris.
 - Replace any damaged components immediately to maintain safety.
5. **Emergency Preparedness:**
 - Regularly update the contents of the emergency box to ensure it meets your current needs.
 - Familiarize yourself with the contents and their uses.

Disposal Instructions

- **Environmental Considerations:** Dispose of the emergency box in accordance with local regulations for plastic waste.
- **Recycling:** If possible, recycle the box as highimpact polypropylene is often recyclable.
- **NonRecyclable Items:** If the box is damaged beyond use, dispose of it in general waste. Ensure that any hazardous materials inside are properly removed and disposed of according to local guidelines.

Contact Information for Further Support

For any questions or concerns regarding the MTM EB Emergency Box, please refer to the contact information provided by the manufacturer or retailer from whom you purchased the product. They will be able to assist you with safety inquiries and product support.

Thank you for choosing the MTM EB Emergency Box. Stay safe and prepared!
