

CRATE DIVIDER FOR ACR5/8/12 - MTM CRATE DIVIDER FOR ACR5/8/12

MTM CRATE DIVIDER FOR ACR5/8/12 Take your Ammo Crate to the next level with our adjustable divider system, designed for the ACR5, ACR8, and ACR12. Whether you're hauling ammo, gear, or a mix of both, these dividers let you customize the layout to fit your load—keeping everything organized, separated, and secure in transit. **FEATURES** Adjustable layout adapts to any loadout Keeps gear upright and separated during transport Installs in seconds—no tools required Works with ACR5 (pictured), ACR8, and ACR12 ACR5: Dividers reach all the way to the lid, creating snug compartments that keep contents locked in tight—perfect for securing loose gear or stacking smaller items without shifting. ACR-8 & ACR-12: Dividers keep the bottom layer organized so ammo boxes and gear stay put, while the open space above is perfect for bulkier equipment. Don't settle for a catch-all. Turn your crate into a custom-fit storage system that works your way.

Safety Instruction Guide for MTM Crate Divider for ACR5/8/12

Introduction

Thank you for choosing the MTM Crate Divider for ACR5/8/12. This product is designed to enhance the organization and safety of your ammo crates. To ensure safe and effective use, please read this safety instruction guide carefully. It is important to follow the guidelines to minimize risks and ensure your safety during installation and usage.

General Safety Guidelines

- Always inspect the product for any damage or defects before use.
- Ensure that the dividers are securely installed and properly adjusted to avoid any shifting of contents during transport.
- Keep the product away from children and vulnerable individuals, as it may pose a risk of injury if misused.
- Do not overload the crate beyond its recommended weight capacity.
- Use the product only for its intended purpose, as specified in the product description.
- If you notice any unusual behavior or damage during use, stop using the product immediately and seek assistance.

Specific Safety Precautions for Use

- When loading the crate, distribute the weight evenly to maintain balance and stability.
- Avoid placing heavy items on top of lighter items, as this may cause instability and increase the risk of items shifting or falling.
- Ensure that the dividers are properly locked in place before transporting the crate.
- Do not use the crate divider for any purpose other than organizing gear and ammo within the specified crates (ACR5, ACR8, ACR12).
- Be cautious when opening the crate; items may have shifted during transport.

Instructions for Installation and Usage

1. Installation of Dividers:

- Open the lid of the ACR5, ACR8, or ACR12 crate.
- Identify the desired layout for your loadout.
- Insert the dividers into the designated slots within the crate.
- Adjust the dividers to create snug compartments that fit your gear and ammo.
- Ensure that the dividers reach the lid of the crate for maximum stability.

2. Usage:

- Load your gear and ammo into the compartments created by the dividers.
- Ensure that all items are secure and that there is no excessive movement.
- Close the lid of the crate securely before transporting.
- When transporting, handle the crate with care to avoid dropping or jarring it.

Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic and packaging materials.
- If the product is damaged beyond repair, consider recycling the materials where possible to minimize environmental impact.

- Do not dispose of the product in regular household waste if there are specific recycling programs available in your area.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MTM Crate Divider for ACR5/8/12, please refer to the contact information provided with your product packaging or visit the manufacturer's website for further assistance.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy the benefits of your new crate divider.
