Safety Instruction Guide for MTM Pistol Range Kit

Introduction

Thank you for choosing the MTM Pistol Range Kit. This kit is designed to provide you with everything you need for a safe and organized experience at the shooting range. Please read this safety instruction guide carefully to ensure the safe use of the product and to comply with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle your firearm safely and responsibly.
- Keep the kit out of reach of children and unauthorized users.
- Inspect the kit regularly for any signs of wear or damage.
- Use the foampadded handgun tray to securely hold your handgun.
- Ensure that all magazines are unloaded before storing them in the magazine storage case.
- Always wear ear and eye protection when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm use.

Specific Safety Precautions for Use

- **Firearm Handling:** Always point the firearm in a safe direction. Keep your finger off the trigger until you are ready to shoot.
- **Water Resistance:** The kit is designed to be waterresistant. However, do not submerge it in water.
- **Storage:** Store the kit in a cool, dry place when not in use. Avoid exposing it to extreme temperatures or direct sunlight.
- **Padlock Tab:** Use a padlock (not included) to secure the lid for added safety when transporting the kit.
- **Chamber Indicator Flags:** Always use the safety chamber indicator flags when storing your handgun to indicate that it is unloaded.

Instructions for Installation and Usage

1. Unpacking the Kit:

- Open the clear red dry box and remove all contents.
- Check for any missing items or damage.

2. Setting Up the Kit:

- Place the foampadded handgun tray inside the dry box.
- Insert the 5magazine storage case into the designated space.
- Ensure ear and eye protection are easily accessible.

3. Using the Kit:

- Before heading to the range, ensure that your handgun is unloaded and that you have the necessary ammunition.
- Pack your handgun and magazines securely in the kit.
- Close the lid and ensure it is sealed properly.

4. At the Range:

- Always follow range rules and instructions from range safety officers.
- Use the kit to keep your gear organized and protected.

- After use, clean all equipment and store it back in the kit.

Disposal Instructions

- Dispose of the kit in accordance with local regulations.
- If the kit is damaged beyond repair, consider recycling the plastic components where possible.
- Do not dispose of the kit in regular household waste if it contains hazardous materials.
