

22 ARC BRASS - STARLINE, INC 22 ARC BRASS 100/BAG

STARLINE 22 ARC BRASS The 22 ARC is essentially a 6.5 Grendel that has been necked down to accept 22 caliber bullets to utilize the high BC, heavy for caliber bullets in .224" diameter, as well as being able to push the lighter .224" bullets faster than the .223 Rem. This gives you a versatile cartridge for either long range target shooting or varmint hunting that works well in both bolt action and AR platform rifles. Small Rifle Primer. Packaged in 100 count bags.

Safety Instruction Guide for 22 ARC Brass by STARLINE, INC

Introduction

Thank you for choosing the STARLINE 22 ARC Brass. This guide provides essential safety information to ensure the safe use and handling of this product. The 22 ARC Brass is designed for use with 22 caliber bullets and is suitable for both longrange target shooting and varmint hunting.

General Safety Guidelines

- Always handle ammunition with care and respect.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Use only in firearms that are specifically designed for the 22 ARC cartridge.
- Always follow the manufacturer's instructions and recommendations for your firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded when inserting or removing brass.
- Inspect brass for any signs of damage or defects before use.
- Do not exceed the recommended loads when reloading ammunition.
- Use appropriate safety gear, including eye and ear protection, when shooting.
- Be mindful of the potential for ricochet and take precautions to avoid it.
- Never point a firearm at anything you do not intend to shoot.

Instructions for Installation and Usage

- Carefully read the firearm's manual before using the 22 ARC Brass.
- To load the brass:
 - Ensure the firearm is pointed in a safe direction.
 - Open the action and ensure the chamber is clear.
 - Insert the brass into the chamber or magazine as per the firearm's specifications.
 - Close the action and ensure the firearm is in a safe condition before firing.
- After use, clean the firearm according to the manufacturer's instructions to ensure proper maintenance.

Disposal Instructions

- Dispose of empty brass cases responsibly:
 - Recycle brass where facilities are available.
 - Do not discard in regular waste. Follow local regulations for hazardous waste disposal.
- Store any damaged or unusable brass in a safe container until proper disposal can be arranged.

Contact Information for Further Support

For any questions or concerns regarding the safety and handling of the STARLINE 22 ARC Brass, please refer to the manufacturer's contact information provided with your product.

By following these guidelines, you can ensure a safe and enjoyable experience with your STARLINE 22 ARC Brass. Thank you for prioritizing safety in your shooting activities.
