Safety Instruction Guide for 8.6 BLACKOUT BRASS by STARLINE, INC

Introduction

Thank you for choosing the 8.6 BLACKOUT BRASS from STARLINE, INC. This product is designed for use in rifles and is intended for responsible consumers who understand the importance of safety when handling ammunition components. This guide provides essential safety instructions, usage guidelines, and contact information for further support.

General Safety Guidelines

- Always treat all ammunition components as if they are live and capable of causing injury.
- Store ammunition components in a cool, dry place, away from children and unauthorized users.
- Ensure that you are familiar with local laws and regulations regarding the use and storage of ammunition.
- Inspect the product upon receipt for any damage or defects before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Age Restriction:** This product is not intended for use by individuals under the age of 18. Ensure that it is used only by those who are legally permitted and knowledgeable in handling ammunition.
- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including safety glasses and gloves, when handling ammunition components.
- **Handling:**
 - Avoid dropping or striking the ammunition components.
 - Do not force components into chambers or use them in firearms that are not designed for this caliber.
- **Firing:**
 - Use only in firearms that are specifically designed for the 8.6 Blackout cartridge.
 - Ensure that the firearm is in good working condition and that you are familiar with its operation before use.
- **Storage:**
 - Keep the product in its original packaging until ready for use.
 - Use a secure storage method to prevent unauthorized access.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have a clean and safe workspace.
- Gather all necessary tools and equipment.

2. Loading Ammunition:

- Follow the manufacturer's instructions for loading the 8.6 Blackout brass into your chosen firearm.
- Ensure that the brass is free from obstructions and defects before loading.

3. Firing:

- Verify that the firearm is unloaded before inserting the loaded magazine or brass.
- Aim in a safe direction and ensure that the area is clear of bystanders.

- Follow standard firing procedures and safety protocols.

4. PostFiring:

- After use, allow the firearm to cool down and handle it safely.
- Inspect the brass for any signs of damage or excessive wear.

Disposal Instructions

- Dispose of used brass in accordance with local regulations.
- Do not dispose of ammunition components in regular household waste.
- Consider recycling options for spent brass, as it can often be repurposed.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product information, please refer to the manufacturer's website or contact the designated EUbased support line provided with your product packaging.
