

9X39MM BRASS - STARLINE, INC 9X39MM BRASS 100/BAG

STARLINE 9X39MM BRASS This Soviet cartridge was originally designed for subsonic use in AK style firearms. Many US companies are now offering AR style barrels, uppers, and complete firearms chambered in 9x39. Our brass is built to the CIP standard, and could have headspacing problems if used in firearms designed around non-standardized versions. Due the differences in chamber dimensions, we recommend you contact your barrel manufacturer about compatibility with our brass. Large Rifle Primer. Packaged in 100 count bags.

Safety Instruction Guide for 9X39MM BRASS

STARLINE, INC

Introduction

Thank you for choosing the 9X39MM BRASS from STARLINE, INC. This product is designed for use in firearms chambered in 9x39mm. It is important to follow safety guidelines to ensure safe and effective use. This guide provides essential safety information, specific precautions, and instructions for proper installation and usage.

General Safety Guidelines

- Always treat all firearms and ammunition as if they are loaded.
- Store ammunition in a cool, dry place and out of reach of children.
- Inspect brass cases for defects before use. Do not use damaged brass.
- Ensure compatibility with your firearm by consulting the barrel manufacturer.
- Always wear appropriate eye and ear protection when using firearms.
- Follow all local laws and regulations regarding firearms and ammunition.

Specific Safety Precautions for Use

- Use only Large Rifle Primers with this brass.
- Ensure that the brass is built to the CIP standard to prevent headspacing issues.
- Avoid using this brass in firearms designed around nonstandardized versions.
- Be aware of potential chamber dimension differences that may affect compatibility.
- If you experience any malfunction or unusual behavior during use, cease firing immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

- Check the compatibility of your firearm with the 9X39MM BRASS before use.
- Prepare your firearm according to the manufacturer's instructions.
- Load the brass into your firearm following standard loading procedures.
- After firing, inspect the brass for signs of wear or damage.
- Clean and maintain your firearm according to the manufacturer's guidelines to ensure optimal performance.

Disposal Instructions

- Dispose of used brass cases in accordance with local regulations.
- Do not discard brass in regular household waste.
- Consider recycling used brass to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the 9X39MM BRASS, please consult your local firearms dealer or manufacturer. They can provide further assistance and information regarding safety and compatibility.

By following these guidelines, you can ensure a safe and enjoyable experience with your 9X39MM BRASS from STARLINE, INC. Always prioritize safety and responsible usage.
