

REV 535 SLIDE-AND-SNAP AR TRIGGER - RISE ARMAMENT REV 535 SLIDE-AND-SNAP AR TRIGGER SILVER/RED

RISE ARMAMENT REV 535 SLIDE-AND-SNAP AR TRIGGER The Rev 535 is a Slide-and-Snap AR Trigger that makes it faster and easier than ever to improve your accuracy. On compatible mil-spec lowers, it slides into place and installs in under 60 seconds, often without removing the grip or safety selector. Built-in pins for rapid install eliminate loose hardware, tools, and set screws while providing anti-walk and anti-rotation security. Rooted in the proven RA-535 Advanced-Performance Trigger (APT) platform, the Rev 535 pairs trusted performance with a completely new installation system and added flexibility. The Rev 535 includes interchangeable flat and curved blade faces that swap in seconds using TorLok™ technology, letting you tailor trigger feel without tools. With no take-up, a crisp single-stage break, and a lightning fast, tactile reset, the Rev 535 helps you shoot more accurately and get back on target faster for confident follow-up shots. **FEATURES** Slide-and-Snap™ Trigger design — A next-generation drop-in design that slides into place and secures quickly. Built-in pins for rapid install — Integrated pins eliminate loose hardware, tools, and follow-up adjustments while delivering anti-walk and anti-rotation security. Interchangeable blade faces — Includes both flat and curved blade faces so you can choose the feel you prefer—or change it later in seconds. TorLok™ blade retention technology — Mechanical and magnetic retention keeps blade faces secure without tools. Accuracy-driven trigger performance — No take-up, an ultra-crisp break, and a lightning fast, tactile reset help you shoot tighter groups and make faster follow-up shots. **ADDITIONAL FEATURES** NoWay™ Take-Up — Trigger movement begins at the sear—no slack, no wasted motion. Quik-Klik™ Trigger Reset — Short, audible, and tactile reset you can feel, supporting rapid follow-up shots. Heavy-Hit™ Hardening — S7 tool steel internals are heat-treated for durability and reliable primer ignition. LiteMite™ Hammer — Reduced mass with full strike energy for consistent primer ignition. Premium NiB-Coated Steel Components — Heat-treated S7 tool steel internals with Nickel Boron (NiB) coating for exceptionally smooth operation, reduced friction, increased surface hardness, and long-term wear resistance. Some versions feature a durable black nitride-finished blade base. 6061 Aerospace Aluminum Housing — Precision-machined to aerospace standards from solid billet for strength, consistency, and durability. Lifetime Warranty & Performance Guarantee — Backed by RISE's Lifetime Manufacturing Warranty and the More-Bang-for-Your-Buck Performance Guarantee. If it doesn't deliver no take-up, a crisp break, and a fast, tactile reset, RISE will buy it back. No questions asked.

Safety Instruction Guide for RISE ARMAMENT REV 535 SLIDEANDSNAP AR TRIGGER

Introduction

Thank you for choosing the RISE ARMAMENT REV 535 SlideandSnap AR Trigger. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new trigger. Please read this manual carefully before installation and use.

General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following guidelines:

- **Product Safety:** Ensure the trigger is used in accordance with the manufacturer's instructions and is compatible with your firearm.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Follow the instructions provided in case of a recall.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by individuals under the age of 18. Keep out of reach of children.
- **EU Contact Point:** For any safety inquiries, refer to the contact details provided by your retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

When using the RISE ARMAMENT REV 535 SlideandSnap AR Trigger, please consider the following safety precautions:

- **Compatibility:** Ensure that the trigger is compatible with your AR15 milspec lower receiver.
- **Installation:** Follow installation instructions carefully to avoid improper fitting, which can lead to malfunction.
- **Handling:** Always treat your firearm as if it is loaded. Keep the firearm pointed in a safe direction at all times.
- **Maintenance:** Regularly inspect the trigger and firearm for wear and damage. Do not use if there are any signs of malfunction.
- **Training:** Ensure you are trained in the safe handling and operation of firearms. Seek professional instruction if necessary.

Instructions for Installation and Usage

To install and use the RISE ARMAMENT REV 535 SlideandSnap AR Trigger, follow these steps:

Installation Instructions

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, although many installations can be done without them due to the builtin pins.

2. Remove the Old Trigger (if applicable):

- Carefully remove any existing trigger according to the manufacturer's instructions.

3. Install the REV 535 Trigger:

- Slide the REV 535 trigger into the designated area of the milspec lower receiver.
- Ensure that the builtin pins are securely in place. The trigger should fit snugly without any loose parts.
- Verify that the safety selector is functioning properly after installation.

4. Test the Trigger:

- Before using the firearm, perform a function check to ensure the trigger operates correctly. This includes checking the reset and break of the trigger.

Usage Instructions

• Shooting:

- When ready to shoot, ensure you are in a safe environment with proper backstops.
- Use the trigger as intended, with no modifications to its design or function.
- Practice safe shooting habits, including keeping your finger off the trigger until you are ready to fire.

• PostShooting Care:

- After use, clean and maintain your firearm and trigger according to the manufacturer's recommendations.

Disposal Instructions

When disposing of the RISE ARMAMENT REV 535 SlideandSnap AR Trigger, please follow these guidelines:

- **Local Regulations:** Adhere to local laws and regulations regarding the disposal of firearm components.
- **NonHazardous Waste:** If the trigger is no longer usable, dispose of it as nonhazardous waste. Avoid throwing it in regular trash if local laws require specific disposal methods.
- **Recycling:** Consider recycling metal components where applicable, following local recycling guidelines.

Contact Information for Further Support

For additional support regarding the RISE ARMAMENT REV 535 SlideandSnap AR Trigger, please refer to the contact details provided by your retailer or manufacturer. Always ensure to seek assistance from authorized personnel for any issues or concerns.

By following these safety instructions and guidelines, you can enjoy the benefits of your new trigger while ensuring a safe shooting experience. Thank you for your attention to safety.
