

REV 535 SLIDE-AND-SNAP AR TRIGGER - RISE ARMAMENT REV 535 SLIDE-AND-SNAP AR TRIGGER BLACK/RED

RISE ARMAMENT REV 535 SLIDE-AND-SNAP AR TRIGGER The Rev 535 is a Slide-and-Snap AR Trigger that makes it faster and easier than ever to improve your accuracy. On compatible mil-spec lowers, it slides into place and installs in under 60 seconds, often without removing the grip or safety selector. Built-in pins for rapid install eliminate loose hardware, tools, and set screws while providing anti-walk and anti-rotation security. Rooted in the proven RA-535 Advanced-Performance Trigger (APT) platform, the Rev 535 pairs trusted performance with a completely new installation system and added flexibility. The Rev 535 includes interchangeable flat and curved blade faces that swap in seconds using TorLok™ technology, letting you tailor trigger feel without tools. With no take-up, a crisp single-stage break, and a lightning fast, tactile reset, the Rev 535 helps you shoot more accurately and get back on target faster for confident follow-up shots. **FEATURES** Slide-and-Snap™ Trigger design — A next-generation drop-in design that slides into place and secures quickly. Built-in pins for rapid install — Integrated pins eliminate loose hardware, tools, and follow-up adjustments while delivering anti-walk and anti-rotation security. Interchangeable blade faces — Includes both flat and curved blade faces so you can choose the feel you prefer—or change it later in seconds. TorLok™ blade retention technology — Mechanical and magnetic retention keeps blade faces secure without tools. Accuracy-driven trigger performance — No take-up, an ultra-crisp break, and a lightning fast, tactile reset help you shoot tighter groups and make faster follow-up shots. **ADDITIONAL FEATURES** NoWay™ Take-Up — Trigger movement begins at the sear—no slack, no wasted motion. Quik-Klik™ Trigger Reset — Short, audible, and tactile reset you can feel, supporting rapid follow-up shots. Heavy-Hit™ Hardening — S7 tool steel internals are heat-treated for durability and reliable primer ignition. LiteMite™ Hammer — Reduced mass with full strike energy for consistent primer ignition. Premium NiB-Coated Steel Components — Heat-treated S7 tool steel internals with Nickel Boron (NiB) coating for exceptionally smooth operation, reduced friction, increased surface hardness, and long-term wear resistance. Some versions feature a durable black nitride-finished blade base. 6061 Aerospace Aluminum Housing — Precision-machined to aerospace standards from solid billet for strength, consistency, and durability. Lifetime Warranty & Performance Guarantee — Backed by RISE's Lifetime Manufacturing Warranty and the More-Bang-for-Your-Buck Performance Guarantee. If it doesn't deliver no take-up, a crisp break, and a fast, tactile reset, RISE will buy it back. No questions asked.

Attributes

- Name: RISE ARMAMENT REV 535 SLIDE-AND-SNAP AR TRIGGER BLACK/RED
- Manufacturer: RISE ARMAMENT
- Product no.: 430116542
- Mfr. No.: T35-BR
- Finish: Black/Red
- Style: Drop-In
- Weapon type: AR-15
- Delivery weight: 0.227kg
- Shipping height: 108mm
- Shipping width: 25mm

- Shipping length: 178mm
- UPC: 850062094444

Safety Instruction Guide for REV 535 SlideandSnap AR Trigger

Introduction

Thank you for choosing the RISE ARMAMENT REV 535 SlideandSnap AR Trigger. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your trigger. Following these instructions will help you avoid potential hazards and enhance your shooting experience.

General Safety Guidelines

- Ensure that the trigger is installed on a compatible milspec lower receiver.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the trigger and all firearm components safely and securely, out of reach of children and unauthorized users.
- Regularly inspect your trigger and firearm for any signs of wear or damage.
- Use only authorized parts and accessories with your trigger to maintain safety and performance.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not attempt to install or use the trigger if you are unsure about the process or lack experience with firearms.
- Always follow the manufacturer's instructions for installation and usage.
- Ensure that the firearm is unloaded before installation or maintenance.
- Avoid using excessive force during installation to prevent damage to the trigger or firearm.
- Do not modify the trigger or its components in any way, as this may compromise safety and performance.
- Be cautious of the trigger's mechanical and magnetic retention features; ensure they are functioning properly before use.
- If you experience any issues with the trigger, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure you have a compatible milspec lower receiver.
- Gather necessary tools, including a TorLok™ tool if required for installation.
- Confirm that the firearm is unloaded and safe to work on.

2. Installation Steps

- Remove the existing trigger from the lower receiver, if applicable.
- Align the REV 535 trigger with the trigger housing in the lower receiver.
- Slide the trigger into place until it is fully seated.
- Ensure that the builtin pins are properly engaged to secure the trigger.
- Check that the trigger moves freely and does not bind.

3. Testing the Trigger

- After installation, conduct a function check:

- Ensure that the trigger has no takeup and that it breaks crisply.
- Test the reset to confirm it is tactile and fast.
- If the trigger does not function as expected, remove it and consult a qualified gunsmith.

4. Usage Guidelines

- Familiarize yourself with the trigger's feel and operation before engaging in live fire.
- Practice safe firearm handling and shooting techniques at all times.
- Maintain focus and control while shooting to ensure accuracy and safety.

Disposal Instructions

- Dispose of the trigger and any components in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the REV 535 SlideandSnap AR Trigger, please refer to the contact information provided with your purchase or consult the manufacturer's website for further assistance.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the RISE ARMAMENT REV 535 SlideandSnap AR Trigger, and always prioritize safety.
