Safety Instruction Guide for 12 GA Magazine Tube No Detents for Remington Versa Max

Introduction

Thank you for choosing the 12 GA Magazine Tube No Detents for your Remington Versa Max. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your magazine tube. Please read this manual carefully before use to understand the product's features, potential hazards, and proper handling procedures.

General Safety Guidelines

- Ensure the product is used only with compatible firearms as specified.
- Always follow the manufacturer's instructions for installation and use.
- Store the magazine tube in a safe, dry place away from children and unauthorized users.
- Regularly inspect the magazine tube for signs of wear or damage.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility:** Only use this magazine tube with the Remington Versa Max. Using it with other models may lead to malfunctions or safety hazards.
- **Installation Safety:** Ensure the firearm is unloaded and the chamber is clear before installing the magazine tube.
- **Handling:** Always treat the magazine tube as if it is loaded. Avoid pointing it at anyone and keep your finger off the trigger until ready to shoot.
- **Vulnerable Groups:** Keep the magazine tube out of reach of children and individuals who may not understand its proper use.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation (if required).

2. Installation Steps:

- Remove the factory magazine tube from the Remington Versa Max.
- Carefully attach the new magazine tube by aligning it correctly with the receiver.
- Ensure that the magazine tube is securely fastened and that no gaps are present.

3. Usage Instructions:

- Load the magazine tube with compatible ammunition only.
- Check the magazine tube for proper seating before use.
- If using aftermarket followers or extensions, ensure they are compatible with the magazine tube.

4. PostUse Care:

- Clean the magazine tube regularly to prevent debris buildup.
- Inspect for any signs of damage or wear after each use.

Disposal Instructions

- Dispose of the magazine tube in accordance with local regulations.
- Do not discard in regular household waste if it contains hazardous materials.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support
