

TACTICAL SUPPRESSOR POUCH FITS UP TO 9" SUPPRESSORS - BULLDOG CASES TACTICAL SUPPRESSOR POUCH FITS UP TO 9" SUPPRESSOR

BULLDOG CASES TACTICAL SUPPRESSOR POUCH FITS UP TO 9"

SUPPRESSORS The Bulldog Cases Tactical Suppressor Pouch is purpose-built to safely store and transport suppressors up to 9 inches in length. Designed for serious shooters who demand reliable gear, this rugged pouch provides a secure, heat-resistant solution for managing hot suppressors at the range or in the field. Constructed with durable materials and rated to withstand temperatures up to 600 degrees Fahrenheit, it helps protect your hands, firearms, and surrounding gear from residual heat after firing. Engineered for tactical convenience, this suppressor pouch offers dependable protection while remaining compact and easy to carry. The heavy-duty exterior resists wear and abrasion, while the heat-rated interior lining helps contain warmth from recently fired suppressors. Whether you're packing up after a training session or transporting equipment between locations, this pouch adds a critical layer of safety and organization to your setup. Built to meet the demands of modern suppressor owners, the Bulldog Cases Tactical Suppressor Pouch delivers practical performance, dependable heat resistance, and rugged durability in a streamlined design that fits seamlessly into range bags and tactical kits. **FEATURES** Rated to withstand temperatures up to 600°F Fits suppressors up to 9 inches in length Heat-resistant interior lining Durable, heavy-duty exterior construction Helps protect gear from residual suppressor heat Compact and portable design Secure closure for safe transport Ideal for range use or field applications Designed for tactical and sporting suppressors

Safety Instruction Guide for Bulldog Cases Tactical Suppressor Pouch

Introduction

Thank you for choosing the Bulldog Cases Tactical Suppressor Pouch. This product is designed to provide safe storage and transport for suppressors up to 9 inches in length. Please read this safety instruction guide carefully to ensure the safe and effective use of your suppressor pouch.

General Safety Guidelines

- Ensure safe use of the Tactical Suppressor Pouch by following all instructions.
- The pouch is designed for use with suppressors only. Do not use it for any other purpose.
- Always allow suppressors to cool down before placing them in the pouch to avoid burns or heat damage.
- Keep the pouch out of reach of children and vulnerable individuals.
- Regularly inspect the pouch for signs of wear or damage. If any damage is found, discontinue use immediately.
- Report any unsafe product experiences to the relevant authorities.

Specific Safety Precautions for Use

- Use the pouch only for suppressors that are up to 9 inches in length.
- Ensure the pouch is securely closed during transport to prevent accidental opening.
- Avoid exposing the pouch to extreme temperatures or direct flames.
- Do not overload the pouch with additional items that may compromise its integrity.
- Always handle the pouch with care, especially when it contains a recently fired suppressor.

Instructions for Installation and Usage

1. Preparing the Suppressor:

- Allow the suppressor to cool completely after use.
- Check the suppressor for any visible damage before placing it in the pouch.

2. Using the Pouch:

- Open the pouch by unfastening the secure closure.
- Place the cooled suppressor inside the pouch, ensuring it fits comfortably without excessive pressure.
- Close the pouch securely to ensure the suppressor is contained.

3. Transporting the Pouch:

- Carry the pouch using its handles or straps, ensuring it is balanced and secure.
- Avoid placing heavy items on top of the pouch during transport.

4. Cleaning and Maintenance:

- Wipe the exterior of the pouch with a damp cloth to remove dirt or debris.
- Allow the pouch to air dry completely before storing it.

Disposal Instructions

- Dispose of the pouch in accordance with local waste disposal regulations.
- If the pouch is damaged beyond use, consider recycling materials where possible.
- Do not burn the pouch as it may release harmful substances.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please contact the manufacturer or retailer from whom you purchased the Tactical Suppressor Pouch. Ensure you have the product information available when seeking assistance.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your Bulldog Cases Tactical Suppressor Pouch. Thank you for prioritizing safety and performance in your shooting activities.
