

MXP MAGAZINE EXTENSION FOR GEN M3 PMAG MAGAZINE - PYLON SYNDICATE LLC MXP +5 MAG EXTENSION FOR GEN3 PMAG SHERIFF

PYLON SYNDICATE LLC MXP MAGAZINE EXTENSION FOR GEN M3 PMAG MAGAZINE The Pylon Syndicate MXP is a next-generation +5 base pad extension for Gen3 PMAG magazines — The unit installs without tools via a patent-pending spring-locked detent push-pin system, making it one of the most user-friendly magazine extensions on the market. Designed, engineered, and manufactured in the United States, the MXP adds capacity (5 rounds on GEN M3 PMAG 10/20/30 and TMAG models; 6 rounds on PMAG 40) while maintaining lightweight, rugged performance. The MXP has a CNC aluminum housing and QP nitride 4140 PH steel pin held in place with existing AR-15 lower kit parts. Will only work with Gen M3 PMAG FEATURES +5 rounds on Gen M3 PMAG 10, 20, 30, and TMAG +6 rounds on PMAG 40 Patent pending spring-locked detent mounting system No tools necessary for installation/maintenance CNC aluminum housing 4140 PH steel QP nitride finished retention pin Works on 300BLK magazines Proudly designed, engineered, and manufactured in the United States (packaging included) SPECS 3" length 2.7oz Aluminum housing 4140 QP Nitride pin Spring-locked AR-15 bolt catch detent

MXP Magazine Extension Safety Instruction Guide

Introduction

Thank you for choosing the MXP Magazine Extension for Gen M3 PMAG. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure the product is used only as intended and in accordance with the manufacturer's instructions.
- Always handle magazines and ammunition with care to avoid accidental discharge.
- Keep the magazine extension out of reach of children and unauthorized users.
- Regularly inspect the magazine extension for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended capacity of the magazine extension.
- Ensure that the magazine is properly seated in the firearm before use.
- Avoid using the magazine extension in conditions that may compromise its integrity (e.g., extreme temperatures, exposure to moisture).
- Be aware of your surroundings and ensure a safe environment when handling firearms.
- If you experience any malfunctions while using the magazine extension, cease use immediately and inspect the product.

Instructions for Installation and Usage

Installation Steps

1. **Ensure Safety:** Before installation, ensure the firearm is unloaded and in a safe condition.
2. **Remove Existing Base Pad:**
 - Press the existing base pad to release it from the magazine.
 - Carefully remove the base pad from the magazine.
3. **Install MXP Extension:**
 - Align the MXP extension with the magazine.
 - Press the extension down until it clicks into place, ensuring that the springlocked detent is engaged.
4. **Final Check:**
 - Inspect the installation to confirm that the extension is securely attached.
 - Ensure that no parts are loose or misaligned.

Usage Instructions

- Load the magazine extension as per the capacity guidelines (5 rounds for Gen M3 PMAG 10/20/30 and TMAG models; 6 rounds for PMAG 40).
- Always verify that the magazine is properly loaded and seated before use.
- Follow standard firearm safety practices during operation.

Disposal Instructions

- Dispose of the MXP Magazine Extension in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for aluminum and steel components where available.

Contact Information for Further Support

For any inquiries or additional support regarding the MXP Magazine Extension, please reach out to the manufacturer directly. Ensure you have the product details at hand for efficient assistance.

By following these safety instructions and guidelines, you will help ensure a safe and enjoyable experience with your MXP Magazine Extension. Thank you for your attention to these important safety measures.
