

MXP MAGAZINE EXTENSION FOR GEN M3 PMAG MAGAZINE - PYLON SYNDICATE LLC MXP +5 MAG EXTENSION FOR GEN3 PMAG BLACK

PYLON SYNDICATE LLC MXP MAGAZINE EXTENSION FOR GEN M3 PMAG MAGAZINE The Pylon Syndicate MXP is a next-generation +5 base pad extension for Gen3 PMAG magazines — The unit installs without tools via a patent-pending spring-locked detent push-pin system, making it one of the most user-friendly magazine extensions on the market. Designed, engineered, and manufactured in the United States, the MXP adds capacity (5 rounds on GEN M3 PMAG 10/20/30 and TMAG models; 6 rounds on PMAG 40) while maintaining lightweight, rugged performance. The MXP has a CNC aluminum housing and QP nitride 4140 PH steel pin held in place with existing AR-15 lower kit parts. Will only work with Gen M3 PMAG FEATURES +5 rounds on Gen M3 PMAG 10, 20, 30, and TMAG +6 rounds on PMAG 40 Patent pending spring-locked detent mounting system No tools necessary for installation/maintenance CNC aluminum housing 4140 PH steel QP nitride finished retention pin Works on 300BLK magazines Proudly designed, engineered, and manufactured in the United States (packaging included) SPECS 3" length 2.7oz Aluminum housing 4140 QP Nitride pin Spring-locked AR-15 bolt catch detent

MXP Magazine Extension Safety Instructions

Introduction

Thank you for choosing the MXP Magazine Extension for Gen M3 PMAG by Pylon Syndicate LLC. This guide provides important safety information, installation instructions, and usage guidelines to ensure your experience is safe and enjoyable. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the MXP Magazine Extension is compatible with Gen M3 PMAG magazines only.
- Always handle magazines and ammunition with care. Treat all firearms as if they are loaded.
- Keep the MXP Magazine Extension out of reach of children and unauthorized users.
- Inspect the magazine extension regularly for any signs of wear or damage.
- Do not use any damaged or malfunctioning parts. Replace them immediately.
- Follow all local laws and regulations regarding magazine capacity and firearm usage.

Specific Safety Precautions for Use

- When loading or unloading the magazine, ensure the firearm is pointed in a safe direction.
- Do not exceed the recommended capacity of the magazine extension. Overloading can cause malfunctions.
- Avoid using the magazine extension in extreme temperatures or conditions that may affect performance.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- If you experience any issues while using the magazine extension, cease use immediately and consult a professional.

Instructions for Installation and Usage

Installation

1. Ensure the magazine is empty and the firearm is safe.
2. Remove the existing base pad from the Gen M3 PMAG magazine.
3. Align the MXP Magazine Extension with the magazine.
4. Press down on the extension until it clicks into place, ensuring the springlocked detent is engaged.
5. Check that the extension is securely attached and does not move.

Usage

- Load the magazine according to the manufacturer's specifications:
 - +5 rounds on Gen M3 PMAG 10, 20, 30, and TMAG models.
 - +6 rounds on PMAG 40.
- Always verify that the magazine is properly loaded and securely attached to the firearm before use.
- If you encounter any resistance while loading, stop and check for obstructions or misalignment.

Disposal Instructions

- Dispose of the MXP Magazine Extension responsibly. Follow local regulations for disposal of firearm accessories.
- If the product is damaged, do not attempt to repair it. Dispose of it safely to prevent any potential hazards.

Contact Information for Further Support

For any inquiries regarding the MXP Magazine Extension, please reach out to the manufacturer's customer support. Ensure you have the product details ready for faster assistance.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy using your MXP Magazine Extension responsibly!
