MXP Magazine Extension Safety Instructions

Introduction

Thank you for choosing the MXP Magazine Extension for Gen M3 PMAG. This product is designed to enhance your magazine capacity while ensuring safe and reliable performance. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- **Product Safety:** Ensure the MXP Magazine Extension is used only with compatible Gen M3 PMAG magazines. Improper use may lead to malfunctions or safety hazards.
- **Enhanced Recalls:** In the event of a recall, please follow the instructions provided in the recall notice for safe return or remedy of the product.
- **Online Shopping:** If purchased online, ensure you are buying from a reputable source that complies with safety regulations.
- **Special Consumer Focus:** Keep this product out of reach of children. It is not a toy and should only be used by individuals knowledgeable in firearm safety.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay informed about product safety updates and recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility:** Only use the MXP Magazine Extension with Gen M3 PMAG magazines. Using it with incompatible models may result in failure or injury.
- **Inspection:** Before each use, inspect the magazine extension for any signs of damage or wear. Do not use if damaged.
- **Installation Caution:** Follow the installation instructions carefully to avoid improper installation, which could lead to malfunctions.
- **Handling:** Always treat the magazine and firearm as if they are loaded. Follow all firearm safety rules and guidelines.
- **Storage:** Store the MXP Magazine Extension in a cool, dry place away from direct sunlight and moisture.

Instructions for Installation and Usage

Installation

1. **Gather Required Tools:** No tools are necessary for installation, but ensure you have a clean workspace.
2. **Remove Existing Base Pad:** If applicable, remove the existing base pad from the Gen M3 PMAG magazine.
3. **Install MXP Extension:**
 - Align the MXP Magazine Extension with the magazine.
 - Press the springlocked detent pushpin to secure the extension onto the magazine.
 - Ensure the extension is firmly attached and does not wobble.
4. **Check Functionality:** Before use, check that the magazine feeds properly with the extension installed.

Usage

- **Loading:** Load the magazine according to the manufacturer's guidelines. The MXP allows for +5 rounds on Gen M3 PMAG 10/20/30 and TMAG models, and +6 rounds on PMAG 40.
- **Regular Maintenance:** Periodically check the magazine extension for any signs of wear or damage. Clean as necessary to ensure proper function.

Disposal Instructions

- **Disposal:** When disposing of the MXP Magazine Extension, follow local regulations for disposal of firearm accessories. Ensure that the product is rendered unusable before disposal.
- **Recycling:** If possible, recycle the aluminum housing and other materials according to local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the MXP Magazine Extension, please refer to the contact information provided by the retailer where you purchased the product. They will assist you with any inquiries related to safety, installation, or use.

Thank you for your attention to these safety instructions. Enjoy your MXP Magazine Extension responsibly!
