MATCHKING 25 CAL (0.257") HOLLOW POINT BOAT TAIL RIFLE BULLETS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MATCHKING 25 CAL (0.257") HOLLOW POINT BOAT TAIL RIFLE BULLETS by SIERRA BULLETS, INC. These bullets are designed for precision shooting, competition, and longrange target accuracy. To ensure safe and effective use, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Ensure safe use of the product by following these guidelines:
 - Always treat every bullet as if it is loaded.
 - Store bullets in a secure, dry place away from children and unauthorized users.
 - Use appropriate personal protective equipment (PPE) such as safety glasses and hearing protection when handling or shooting.
 - Familiarize yourself with local laws and regulations regarding the use of ammunition.
 - Ensure that firearms used with these bullets are in good working condition and are appropriate for the caliber.
- Be aware of potential hazards:
 - Improper handling or storage may lead to accidental discharge or injury.
 - Exposure to lead and other materials can pose health risks; always wash hands after handling bullets.

Specific Safety Precautions for Use

- Before using the MATCHKING bullets, ensure that you:
 - Read the firearm's manual and understand its operation.
 - Verify that the firearm is compatible with the 0.257" caliber.
 - Inspect bullets for any visible damage before use.
 - Use only in firearms designed for this specific caliber.
- When preparing to shoot:
 - Always point the firearm in a safe direction.
 - Keep your finger off the trigger until you are ready to shoot.
 - Be aware of your target and what lies beyond it.
- In case of a misfire:
 - Wait at least 30 seconds before attempting to open the action.
 - Follow the manufacturer's guidelines for dealing with misfires.

Instructions for Installation and Usage

- To load the MATCHKING bullets into your firearm:
 - Ensure the firearm is pointed in a safe direction and is on safe mode.

- Open the action and check that the chamber is clear.
- Insert the MATCHKING bullet into the chamber or magazine, following the firearm manufacturer's loading instructions.
- Close the action securely and switch to fire mode only when ready to shoot.
- When shooting:
 - Stand in a stable shooting position.
 - Align your sights with the target and take a breath before squeezing the trigger gently.
 - After firing, keep the firearm pointed downrange until you are finished shooting.

Disposal Instructions

- Dispose of unused or unwanted bullets safely:
 - Do not throw bullets in regular trash.
 - Contact local waste management authorities for guidance on hazardous waste disposal.
 - Follow all local laws and regulations for the disposal of ammunition.

Contact Information for Further Support

- For safety inquiries or more information about the MATCHKING 25 CAL (0.257") HOLLOW POINT BOAT TAIL RIFLE BULLETS, please refer to the manufacturer's website or contact their customer support.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with your MATCHKING 25 CAL (0.257") HOLLOW POINT BOAT TAIL RIFLE BULLETS. Always prioritize safety and adhere to all guidelines provided. Thank you for your attention to these important safety measures.
