Safety Instruction Guide for MATCHKING 25 CAL (0.257") HOLLOW POINT BOAT TAIL RIFLE BULLETS

Introduction

Thank you for choosing the MATCHKING 25 CAL (0.257") HOLLOW POINT BOAT TAIL RIFLE BULLETS by Sierra Bullets, Inc. This guide provides important safety instructions and guidelines to ensure the safe handling and use of these rifle bullets. Please read and understand all instructions before using this product.

General Safety Guidelines

- Ensure that all users of this product are familiar with firearm safety practices.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Always use the appropriate caliber and type of bullet as specified for your firearm.
- Inspect bullets for any signs of damage or defects before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when handling or firing firearms.
- Handle bullets with care; avoid dropping or impacting them on hard surfaces.
- Do not attempt to modify or alter the bullets in any way.
- Ensure that the firearm is unloaded when loading or unloading bullets.
- Follow the firearm manufacturer's instructions for loading and unloading ammunition.
- Be aware of your surroundings and ensure a safe shooting environment before firing.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have the correct caliber and type of bullets for your firearm.
- Gather all necessary equipment, including your firearm, ammunition, and safety gear.

2. Loading the Bullets:

- Verify that the firearm is pointed in a safe direction.
- Open the action of the firearm and confirm it is unloaded.
- Insert the MATCHKING bullets into the magazine or chamber as per the firearm's operating manual.

3. Firing the Bullets:

- Ensure that the shooting area is clear of people, animals, and obstructions.
- Take a stable shooting position and align your sights.
- Squeeze the trigger gently to fire the bullet while maintaining control of the firearm.

4. After Firing:

- After firing, keep the firearm pointed in a safe direction and wait for a few moments.
- Open the action and check for any obstructions or misfires.

- Store any unused bullets in a secure location.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and responsible use of the MATCHKING 25 CAL (0.257") HOLLOW POINT BOAT TAIL RIFLE BULLETS. Always prioritize safety and adhere to legal regulations regarding ammunition and firearm use. Thank you for your attention to these important safety measures.
