Safety Instruction Guide for CMMG MK4/AR15 Stripped Lower Receiver for AR15

Introduction

Thank you for choosing the CMMG MK4/AR15 Stripped Lower Receiver for AR15. This product is designed to provide a solid foundation for your firearm build. It is essential to follow safety guidelines to ensure safe and proper usage. This guide outlines important safety information, installation instructions, and disposal recommendations in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat the lower receiver as if it is loaded.
- Keep the lower receiver out of reach of children and unauthorized users.
- Use the lower receiver only with compatible parts and components.
- Inspect the lower receiver for any signs of damage before use.
- Ensure that you are in a safe environment when handling the lower receiver.
- Follow all local laws and regulations regarding firearm assembly and ownership.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper assembly may lead to malfunction.
- Use of incompatible parts can result in serious injury or damage.
- Failure to follow safety protocols may lead to accidents.

• Instructions for Avoiding Hazards:

- Always read the manufacturer's instructions before assembly.
- Ensure that all parts used are milspec and compatible with the MK4 lower receiver.
- Perform regular checks on your firearm to ensure all components are in good condition.
- Use appropriate protective gear, such as safety glasses and gloves, during assembly.

• AudienceSpecific Warnings:

- This product is not intended for use by individuals under the age of 18.
- Ensure that inexperienced users are supervised by a knowledgeable adult when handling the lower receiver.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components before beginning assembly.
- Ensure you are working in a clean, welllit area.

2. Assembly Instructions:

- Begin by inserting the trigger assembly into the lower receiver.
- Follow the specific instructions for the milspec Lower Parts Kit you are using.
- Secure all components with the appropriate screws and pins.

- Ensure that the safety selector functions correctly before proceeding.

3. Final Checks:

- After assembly, perform a function check to ensure everything operates smoothly.
- Make sure the magazine release and bolt catch are working properly.
- Inspect the finished assembly for any loose parts or signs of damage.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the lower receiver is damaged beyond repair, consult local regulations for proper disposal methods.
- Do not dispose of the lower receiver in regular household waste if it is still functional; consider selling or transferring to a licensed dealer.

Contact Information for Further Support

For any safety inquiries or support related to the CMMG MK4/AR15 Stripped Lower Receiver for AR15, please consult the manufacturer's website or customer service resources. It is essential to have access to reliable information for your safety and the safety of others.

Thank you for your attention to these safety guidelines. Enjoy your building experience with the CMMG MK4/AR15 Stripped Lower Receiver for AR15.
